TC Connect

Kids and Families

Sat 4 & Sun 5 August - at the Desert Harmony Festival

CONNECTED BEGINNINGS
Tennant Creek

Belonging.
As part of the Desert Harmony Festival, Connected Beginnings is hosting a space for kids and we want your involvement.

Becoming.
Our kids have big aspirations…

> I want to….”be an entrepreneur” “buy a house” “be a footy star” “be a policeman” “be a vet” “become a doctor” “own a cafe” “be a famous singer”
> Tennant Creek Primary and High School kids, May - June 2017

Being.
The kids also have a deep insight into what it might take to make Tennant Creek the best it could possibly be. Get involved in the fun, so that together, we can explore Becoming. Being. Belonging. for TC kids.

How do you want to support TC kids with Connected Beginnings at Desert Harmony Festival? Join us to host an activity? Participate in activities? Create your own fun?
