

BARKLY REGIONAL COUNCIL

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

AGENDA

ALI CURUNG LOCAL AUTHORITY MEETING

MONDAY, 12 JULY 2021

Barkly Regional Council's Ali Curung Local Authority will be held in on Monday, 12 July 2021 at 1:00pm.

Steven Moore
Chief Executive Officer

BARKLY REGIONAL COUNCIL

COUNCIL PRAYER

Our Lord Jesus Christ, we trust you will guide and bless this meeting of the Barkly Regional Council. We pray that you will ensure that all discussions and decisions made today are just and fair as they will affect all people within the Barkly Region. We also pray for your guidance to ensure that all our dealings are appropriate to all those whom we represent and will reflect an equitable and honest approach to the issues to be discussed today.

Amen

WELCOME TO COUNTRY

I respectfully acknowledge the traditional owners past and present of this land on which we are meeting, the Warumungu people.

CHIEF EXECUTIVE OFFICER REPORTS

ITEM NUMBER 4.1
TITLE Monthly CEO Report
REFERENCE 320892
AUTHOR Mark Parsons, Operations Director

RECOMMENDATION**That Council****A) Receive and note the Operations Directors Report****SUMMARY:****June Operations Directors Report**

This month has the majority of the Local Authorities taking place on the third week of the month. Because of this at the writing of my report, I have attended only one Local Authority. This was Wutunugurra and I am happy to say that we got a provisional quorum at this meeting. This was a good outcome as this LA had failed to meet for the previous two months. We had good discussion at this meeting and it was good to see the LA members excited about the upcoming refurbishment to the old Art Centre. I also met with the contractors to go over the new BMX track build that the Local Authority has had on the Infrastructure Plan for a number of years.

On the 9th of June the Art centre at Ali Curung ran a Dance Festival, it is the first time the Festival has been held since 2018, so good work to the crew at Ali Curung for their efforts. Unfortunately, there has been ongoing unrest in Ali Curung since the festivals end. This seems to be based around people wanting to play music all night and well into the morning.

All other Communities continue to function well throughout the month. I would like to give thanks to Bob Baldry for another good stint in the Acting Area Manager role at Alpururulam while Troy has been on leave. Also a thank you to Donna Eddie at Wutunugurra for stepping into the Acting role when we had a sudden resignation from our Community Coordinator.

I hope everyone has had a chance to see the great work our roads crew have completed at Lake Maryanne. They have patched and filled all the potholes in the turn bay and also in the car park. This is great work and saves Council a lot of money, as we would normally get contractors to do this work.

As most of you would know I will be finishing my role with Council this month. I would like to take this chance to thank Council for its support over the last eight years. It has been a great period of my life and I will miss the Barkly dearly, in saying that it is time to move on and I hope to catch up with you all again in the future.

TITLE	Power Outages - Use of Back-up Generator
REFERENCE	321559
AUTHOR	Tim Hema, Area Manager - Ali Curung

RECOMMENDATION

That the Authority

- (a) Receive and note the report

SUMMARY:

Power outage event on Saturday 12th June 2021 resulted in the Community with no power for 6.5 hours. Local Authority is wishing to seek clarification from Power and Water Corporation in the use of the back-up generator during long outages.

BACKGROUND

This has been ongoing issue with Power and Water for many years and the Local Authority has asked the question on numerous occasions around a protocol for Generator start-up during long outages or having an automated system in place.

Request to make a Presentation to a Local Authority

(Request must be made in writing one week before a Local Authority meeting).

Dear Chair of the Ali Curung Local Authority,

I am requesting your permission to make a presentation to the Ali Curung Local Authority on 12 July 2021

Give the Local Authority Information about the Singleton Horticulture Project – the scope of the project, potential impacts in the region and how they will be managed, and the opportunities that will arise for the local indigenous community.

Speaking points that BRC will insert into the Local Authority minutes as a record of your presentation/report

*Local Authority members welcome contributions from outside agencies. We ask visitors to keep presentations to no longer than 10 minutes including questions. * Presentations are not minuted by BRC staff.*

RECOMMENDATION**That the Authority**

- (a) Receive and note the presentation.

SUMMARY:

Give the Local Authority Information about the 10-Year Generational Strategy for Children and Families in the Northern Territory. The Generational Strategy is a recommendation of the Royal Commission into Youth Detention and Child Protection. The NTG, Australian government, APONT, NAAJA and NTCOSS are working together to consult communities in July and August, so that their voices are included in the drafting of the Generational Strategy.

Request to make a Presentation to a Local Authority

(Request must be made in writing one week before a Local Authority meeting).

Dear Chair of the ALI CURUNG Local Authority,

I am requesting your permission to make a presentation to the ALI CURUNG Local Authority on Monday 12.07.2021. at 1PM.

Give the Local Authority Information about the 10-Year Generational Strategy for Children and Families in the Northern Territory. The Generational Strategy is a recommendation of the Royal Commission into Youth Detention and Child Protection. The NTG, Australian government, APONT, NAAJA and NTCOSS are working together to consult communities in July and August, so that their voices are included in the drafting of the Generational Strategy. Please see the Fact Sheet about the Generational Strategy attached.

Speaking points that BRC will insert into the Local Authority minutes as a record of your presentation/report

- What is the Generational Strategy? The 10-Year Generational Strategy will be the overarching policy to deliver on recommendations from two key reports. The Royal Commission, which recommended the development of a shared vision for the future children and families and the Productivity Commission Report into Expenditure on Children in the Northern Territory, which provided advice on how to improve the fragmentation and overlap in expenditure and effort in the current service system.
- What's different about the Generational Strategy? The Strategy will describe a coordinated and collaborative decision-making model between governments, community services and local communities. It will provide communities with more say into the selection and mix of services, with investment more closely linked to needs. It will be supported by a Coordinated Funding Framework, an agreement between the Australian Government and NT Government to coordinate investment in services.
- What's included in the Generational Strategy? The 10-Year Generational Strategy will cover services funded by the Australian and NT Governments for children and young people aged 0-24 years and their families. It will not focus on universal services such as primary health care and school education, however the policy direction set by the Generational Strategy is intended to inform all sectors that provide services to children and families.
- Who's working on the Generational Strategy? The Strategy is being developed under the auspices of the Tripartite Forum and will complement existing work by the Australian Government, NT Government, and community and Aboriginal community controlled service sector.
- At its heart, the Strategy will describe how the Australian Government, NT Government, community and Aboriginal community controlled sectors will work in a more coordinated and collaborative way. It will recognise that local communities are important partners in the design, selection, delivery and evaluation of services, and that Aboriginal organisations are best placed to deliver services to Aboriginal people.
- We would like to offer community members and service providers in Ali Curung the opportunity to input into the drafting of the Generational Strategy. Diana (from APONT) is available to return to Ali Curung on Thursday 15th July to talk to people in more detail about the Generational Strategy and write down their feedback.
- We recognise that people have told their stories many times before. We have been reading these stories and reports so we don't ask the same questions. At the same time, it is important to offer people the opportunity to input if they want to.

- We are particularly interested in hearing about what is working in communities, so that the Generational Strategy is an opportunity to build on what exists and is working already.
- Thank you very much for your time and the opportunity to speak with you today.

Local Authority members welcome contributions from outside agencies. We ask visitors to keep presentations to no longer than 10 minutes including questions. * Presentations are not minuted by BRC staff.

CHILDREN AND FAMILIES
TRIPARTITE FORUM

10-Year Generational Strategy for Children & Families in the Northern Territory

The 10-Year Generational Strategy for Children and Families in the Northern Territory will set out a shared vision and policy framework to improve services for the wellbeing and safety of all children, young people and families in the Northern Territory.

At its heart, the Strategy will describe how the Australian Government, NT Government, community and Aboriginal community controlled sectors will work in a more coordinated and collaborative way.

It will recognise that local communities are important partners in the design, selection, delivery and evaluation of services for children, families and young people.

Why do we need a Generational Strategy?

The 10-Year Generational Strategy will be the overarching policy to deliver on recommendations from two key reports:

- The *Royal Commission into the Protection and Detention of Children in the Northern Territory* which recommended the development of a common vision for the future children and families, and
- The *Productivity Commission Study Report into Expenditure on Children in the Northern Territory*, which provided advice on how to improve the fragmentation and overlap in expenditure in the current service system.

How is this Strategy different?

This Strategy will set out a new model for collaboration between governments, service providers and local communities. The model, adopting a place-based approach, will link to regional plans. It will give communities more say into the selection and mix of services available where they live, with government investment more closely linked to the needs they identify.

The Strategy will be supported by a Coordinated Funding Framework - an agreement between the Australian Government and NT Government on investment in services.

What is the scope of the Strategy?

The 10-Year Generational Strategy will cover services funded by the Australian and NT Governments for children and young people aged 0-24 years and their families. It will not focus on universal services such as primary health care and school education, however the policy direction set by the 10-Year Generational Strategy is intended to inform all sectors that provide services to children, young people and families.

Who is developing the Strategy?

The Strategy is being developed under the auspices of the Children and Families [Tripartite Forum](#). A Working Group with representatives from the Department of Social Services (DSS), National Indigenous Australians Agency (NIAA), NT Reform Management Office (RMO), Chief Minister and Cabinet (CM&C), Aboriginal Peak Organisations NT (APO NT), North Australian Aboriginal Justice Agency (NAAJA) and NT Council for Social Services (NTCOSS) has been formed to engage with stakeholders and develop the draft Strategy.

What is the process for its development?

A final draft of the Strategy is due by the end of September 2021. The Working Group will engage with stakeholders and hold targeted community consultations between March-July. An opportunity for public submissions on a draft Strategy will be made available.

For more information contact the NT Reform Management Office: reform.managementoffice@nt.gov.au
