

BARKLY REGIONAL COUNCIL

OUR VISION

We strive to be responsive, progressive, sustainable council which respects, listens and empowers the people to be strong.

The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policy and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

We need to be realistic, transparent and accountable.

AGENDA

ALI CURUNG LOCAL AUTHORITY MEETING

THURSDAY, 8 MARCH 2018

The Ali Curung Local Authority will be held in Ali Curung on Thursday, 8 March 2018 at 10:30am.

Steven Moore
Chief Executive Officer

ISSUE/OPTIONS/CONSEQUENCES

CONSULTATION & TIMING

ATTACHMENTS:

- 1 Ali Curung Area Managers Report -FEB 2018.docx

AREA MANAGER REPORT – ALI CURUNG

Month – FEBUARY 2018

GENERAL:

- *Local Authority meeting was held on Wednesday 07-02-2-18 at the Ali Curung council office.*
- *Work continues on the Sewage upgrade project. AM maintains regular communications with project site manager Zain Diamond.*
- *CLC meeting held 22-02-2018 at Council Conference room regarding lease over x2 pumping stations, update on the sewage system upgrade in Ali Curung and lease over centre farm regarding ALSEDA project.*
- *New GEC Josh starting in his role Monday 26-02-2018. Outgoing GEC Lynette Ross will handover during the week.*
- *PMC (Lynnette) have indicated they have funds to provide Mediation training, the intent is too have a pool of key people from community trained in mediation/negotiation skills. PMC will advise further as to training dates..*
- *Roger LLN trainer visit 23 Feb – 02 Mar 2018.*
- *Yves Makita visit 25 – 30 Feb 2018 – monitor Sports and Recreation activities.*

HIGHLIGHTS:

- *Animal management: Local Authority members have approved \$ 15,000.00 from LA budget for Animal Management activities.*
- *New Area Manager Tim Hema started Monday 19-02-2018.*
- *New Community Care Team Leader Nadia Simpson started 26-02-2018.*

ISSUES:

- *Landline phones down 4 days – IT partially repaired, however advised further work required. There still is one phone not working in the office.*
- *Re-occurring short power outages have been happening causing all IT and appliances to reset again. Power and Water to be advised.*
- *Meeting to be held in reference to “Room to Breath” houses particularly in areas of design faults and fire hazards.*

Vehicle Repairs and maintance:

- *Toyota Hilux (stolen one) returned from Workshop repairs-Tray sides still missing.*

- *Kubota ride-on mower awaiting quote for new centre bearing, pulley and drive belt. This is an old mower that has had this repair done before along with other faults. Recommend purchase of a new ride-on and repair the old one as a back-up.*
- *Backhoe blown ram seal, earlier reports indicated awaiting for repairs. This again is an old bit of equipment which should be considered for replacement as opposed to constant repair.*

LOCAL AUTHORITY FUNDING

CORE BUSINESS and PROGRAMS (n/a if Program not run in community) As much detail as is necessary for the Directors – this section does not go to Council unless the Director decides something should

ADMINISTRATION	<i>IT request sent for extra workstation for Karen at Post Office (currently using laptop) and another hot desk workstation for visiting BRC staff. Cysila Rose away for a week (19 -23 Feb 18) in hospital. Karen managed both PO and Centrelink responsibilities with no issues.</i>
DEPOT	<i>Senior Works supervisor-William Curtis still in Elliott, his role is getting picked up by Terry and Bill (ESO) in the interim. Would like to get Will back into his primary role soon as possible. The team is working OK at the moment however we will have vacancies with Bill (ESO) leaving early next month. CDEP – intent to get a closer working relationship with their supervisor and manager (Christine Holdings) with a view to working alongside each other productively.</i>
ESSENTIAL SERVICES	<i>Our ESO's (Bill and Chris) continue their Cert II training with CAT .Closely working both with the Sewerage Upgrade Project and the Murray Downs ESO .Also in Training is Ben Ellery as a back up ESO when needed. Currently Bill is the primary ESO, however he leaves early March, Ideally William Curtis will be back by then. Area Manager wishes also to undertake ESO Training as a back up.</i>
SPORT & REC	<i>The S&R team has been without an appointed team leader for a period in the interim Yves from Tennant Creek has visited regularly to monitor the S&R team activities with support of the AM. New team Leader been appointed she will start 12-03-2018. Activities are been conducted in accordance with Yves recommendations. Working on measures to reopen waterpark.</i>
AGED CARE	<i>New TL appointed starting 26-02-2018 Nadia Simpson. Acting team leader Tonya will also be leaving in early march which will create a job vacancy.</i>
NIGHT PATROL	<i>Good support from Zone Manager – Katie Young Night Patrol operational hours: 6pm – 12 am (Mon – Fri). Current manning stands at x3 staff, x1 new staff still pending. Total x6 positions are allocated to Ali Curung , recruitment to fill all positions continues with an intent to provide a day service once all positions have been filled. <u>Murray Downs:</u> Operational hours 7pm – 12am (Mon – Fri). Currently only have x1 staff actively seeking another staff. Utilising x1 staff member to strengthen Ali Curung night patrol when required. Night patrol team intercepted a break-in at the shop (21-02-2018) resulting in all 3 offenders being arrested. 23-02-2018 team also managed a attempted self harm incident calling in Police and Clinic response. Been</i>

	<i>busy period for Night Patrol.</i>
SAFE HOUSE	<i>Safe House operations have been assessed currently as Improvement required, mainly in areas of staff attendance and safe house procedures. Safe House meeting with Director Community Services, Community Services manager, Safe House staff, Night patrol staff, GEC and AM was conducted on 21-02-2018. Discussions were had regarding the current issues and some mitigation measures were put in place with the intent of improving the service. More active recruitment and training is required.</i>
WATERPARK	<i>Water Park currently closed under direction by Yves (Sports and Rec) due to health and safety concerns around chemical water levels. Discussions being had with Yves on how to rectify problem. Future intent is to have extra staff trained in water park treatment reading and management around use of chemicals. Area Manager also to be trained.</i>

OTHER :

- *Police OIC: J advised of intended NTES meeting 13-04-2018 at Ali Curung and the need to think about having volunteers trained to provide emergency services or fire fighting capability for the community.*
- *Next LA monthly meeting held on Wednesday 07 March 2018 in the Conf Room at Ali Curung Council office.*

CRICOS PROVIDER NUMBER 00025B

To: Chair, Ali Curung Local Authority
Tennant Creek, NT, 0860

Date: 22nd January, 2018

Dear Mr Long

Impact of Low Aromatic Fuel on petrol sniffing in the community: request to visit

The Commonwealth Government, through the Department of the Prime Minister and Cabinet, has engaged a research team from the University of Queensland to conduct research on the impact of Low Aromatic Fuel (LAF) on petrol sniffing in communities.

As a community that has successfully introduced LAF, the Department has asked that we include your community in our study. However, we will do so only with the agreement of the community. Your community is one of 25 that have been nominated for the project.

The purpose of this letter is to seek the agreement of your community to participate in the study, and to explain what participation involves. If you do agree to participate, the community is free to withdraw its consent at any time.

The research team is led by Professor Peter d'Abbs, School of Public Health, University of Queensland, and Ms Gillian Shaw, of Nousgroup, a private consultancy firm. It also includes several highly experienced fieldworkers.

The project is an extension of an earlier study led by Prof d'Abbs and Ms Shaw, and is being done to check whether or not the benefits of introducing LAF have been sustained, and what other factors influence petrol sniffing and other drug use by young people. We have previously visited and interviewed people in Ali Curung in 2013 as a part of this research, and now that LAF is being used in more of the region we are wanting to do a follow up visit to talk with people and see whether things have changed.

This review round commenced in October 2017 and will conclude in January 2019. (A copy of the report from the earlier study is available at www.pmc.gov.au/indigenous-affairs/health-and-wellbeing/low-aromatic-unleaded-fuel, or we can provide you with a copy on request.)

The project does *not* involve gathering information about individual sniffers. In fact, no information about identifiable individuals will be collected. Rather, we want to find out whether there is much sniffing now and if so, how frequently they sniff petrol, how

old they are and how much they are sniffing. We also ask about levels of other drug use – but again, we do not seek information about individuals. Data is collected by talking to knowledgeable people such as Health Workers. We also interview other knowledgeable people in the community about the current situation regarding youth and recreation programs, training and employment, alcohol and other drug services, and other factors that people might wish to raise with us in connection with petrol sniffing and other drug use.

We will report our findings on each community back to that community in plain language. We will also report our findings from the study as a whole to the Department. In any public documents arising from the research, communities will *not* be identified or identifiable.

The project has been reviewed by the University of Queensland Human Research Ethics Committee, and has been granted full ethics approval.

If your community agrees to participate, the fieldworker, Tristan Ray, will contact you to arrange a mutually suitable time to visit, in 2018. Tristan works for CAYLUS and has visited Ali Curung over the past fifteen years. His visit is likely to be in the week beginning May 28th or April 4th, 2018. Fieldwork visits normally take 2-3 days.

If you would like more information, please contact me at p.dabbs@uq.edu.au, or on 0407 720 510.

Yours sincerely

Re: Permission to come to Ali Curung to get information for the evaluation of the impact of Low Aromatic Fuel on petrol sniffing and other drug use in our community.

Dear Peter,

We are writing to give you our permission to visit Ali Curung to interview people about petrol sniffing in our community, and what things we have for young people to do – like sport and recreation, and employment and training. We understand that this is part of the evaluation of the impact of Low Aromatic Fuel. We understand that Tristan Ray will be here for a few days in late May or early June, 2018.

We understand that Tristan will explain the research before he talks with anyone, and that he will ask for people's consent before he talks with them. We also understand that Tristan will not record the names of individuals. We know that you will only take away the numbers of people sniffing here, and that anything we say is confidential. We also expect that Tristan will behave respectfully during his visit here.

We know that Tristan is hoping to employ a local person to help with the research for the time he is here.

Yours Sincerely

AUTHOR Mark Parsons, Operations Director

RECOMMENDATION

That the Authority

- a) Receive and note the report

SUMMARY:

BACKGROUND

ISSUE/OPTIONS/CONSEQUENCES

CONSULTATION & TIMING

ATTACHMENTS:

- 1 Ali Curung night patrol report 8th march.pdf

NIGHT PATROL LOCAL AUTHORITY REPORT

COMMUNITY: ALI CURUNG

DATE: 8th March 2018

Staff Members

Team Leader: Vacant
Night Patrol Officers: Craigwynn Glenn, Ethan Wilson , New appointment Derek Walker ,
1 Applicant still being finalised Sebastian Robinson.

Hours of Operation: Monday to Friday 6pm – 12pm

Guiding Principles for Night Patrol

- Deliver culturally appropriate assistance to Indigenous people at risk of either causing harm or being harmed, including children out after dark, intoxicated people, substance abusers, young people, victims of violence and the homeless
- Recognise that all individuals have the right to be safe in the community
- Recognise that the whole community, not solely the Community Night Patrol, has a responsibility to work towards the prevention of anti-social, destructive and illegal behaviours
- Promote the Project and enhance access to social, health and community service through partnerships and relationships with other service providers
- Be ware of and responsive to the community safety needs and priorities of the communities
- or being harmed, including children out after dark, intoxicated people, substance abusers, young people, victims of violence and the homeless

Issues

- Children out late at night, unsupervised by parents .
- Children are committing offences that are being conducted into the early hours of the morning ie. conducting unlawful activities that are affecting all Ali Curung community residents .
- The children that are committing these offences are depriving their own families, relatives, friends and other community residents the right to shop in their own community. The store having to be closed until all repairs and clean up tasks are completed.
- Night patrol have had staffing issues, with staff being absent from work for lengthy periods of time, staff numbers have been affected due to resignations , lack of work ethic , and non compliance in the submission of leave forms.

- Verbal complaints have been received by Night patrol Zone Manager in relation to the lack of women in Night Patrol positions.
- All positions are advertised, and the positions have been advertised on 5 separate occasions with no women actually applying for any Night Patrol but showing an expression of interest only.
- We would like to propose a curfew of 9.30 pm Mon - Thu, so school aged children, are at home, resting to attend school. Any Child of school age found out late at night, their names will be documented and given to the principal. This list is for School Attendance officers to Follow up.
- If any unlawful activity during Night patrols operational hours occurs all names will be submitted to police to conduct a follow up.
- In total 6 night patrol positions have been allocated to Ali Curung to implement a day shift and a night shift.
- Once all 6 staff have been appointed, the hours of operation will change to suit the community problems.
- This allows Night patrol staff to obtain new skills, such as to offer a Case Management service to assist the vulnerable where residents have outstanding fines,, Centrelink queries, or housing issues.. This action will allow Night patrol staff to advocate on behalf of any community resident. Residing in Ali Curung. Deductions can be made on a weekly or fortnightly basis.

Training

What: Cert 111 Community Night Patrol –
When: 11th – 16th March 2018
Where: Alice Springs

Any new staff that have been appointed will need to attend .

Statistical Report for 6 months of people assisted.
