**SUMMARY:**

After a month long break, it is great to be back in my role full of energy and ready to get back to making a difference around the Barkly Communities:

- My first day back had me going to Wutunugurra and Alpurrurulam to attend LA meetings. Unfortunately Wutunugurra didn't get quorum but we did still have a staff meeting and caught up on a few things that need doing in the Community. Alpurrurulam had a successful LA and it is good to see that this LA continues to grow in strength and has formed into one of our best LA's in the Barkly. The next day we travelled out to Ampilatwatja and Arlparra. We had a successful meeting at Ampilatwatja and a good staff meeting at Arlparra. Other Council staff convened the Ali Curung and Elliot LA's that both achieved quorum.
- Over this last month we have contracted Dennis Kunoth to grade the homeland roads out at Utopia. Dennis does this twice a year for us and at this stage is almost finished all the roads on the Utopia Homelands.
- All the communities have been asked to put in their capital wish lists for next year's budgets, so here's hoping that we can spread some new vehicles around a few communities to make their work a bit easier in the next 12 months.
- Over the last month all the Area Managers were asked to locate the dark spots in their respective communities. This has now been done and I have all the information back. We will now calculate how many solar lights we will need, depending on the total cost we will either purchase the lights before the end of the financial year, or if over budget, budget for them next year.
- While I was away we had Bob Smith from Ampilatwatja come into Tennant Creek and cover my position. I would like to thank Bob for doing a good job and not leaving me too many problems to come back to.
- I have also visited each community with Michael Davis to put a plan in place to implement the findings of the landfill master plans. Elliott was the standout landfill with Michael stating it is amongst the best landfill in the region.
- I attended a Regional Deal Governance Table meeting during the month. I have also been appointed to the Barkly Youth Work Camp working group.

## Interim Barkly Governance Table Meeting Thursday 9 May 2019 Communique

### Summary

The second meeting of the interim Barkly Governance Table was held on 9 May 2019 at Northern Territory Government Centre. The purpose of the meeting was to start implementation planning for the Barkly Regional Deal that was released on 13 April 2019.

Members agreed the focus of the interim Barkly Governance Table was on action not talking; implementation of the Deal needed to progress swiftly; the wider Barkly community would be actively engaged in implementation through working groups and seeking ideas from sector groups represented at the interim Barkly Governance Table; bush communities outside Tennant Creek remain a key priority for the Deal; members would work together for the benefit of the community and treat each other with respect and trust; and the voices of Native Title holders and Aboriginal people remain central to the Barkly Governance Table.

The interim Barkly Governance Table received a presentation from the Australian Government Department of Social Services (DSS) about funding and capacity building available from *Stronger Places, Stronger People* initiative for the establishment of a backbone team to support the interim Barkly Governance Table.

Key decisions included reaching agreement on how the interim Barkly Governance Table would reach decisions; the formation of five working groups to progress initiatives in the Deal with membership drawn from key stakeholders and interested community members from across the Barkly region; agreement to work with and receive funding and capacity support from DSS to establish a backbone team; development of a forward timeline to progress delivery; and circulation of information about key decisions from meetings across the Barkly region as standard practice.

### Agreed Decisions

## OVERVIEW

During the month of May, Friday Night's program has been by far the most popular night of the week for the 15-24's year's age group. Friday Night is the "Family Fun Night", a light snack has been provided for each person who has been in attendance. Families groups are encouraged to attend and have been attending these evenings. Activities have included games and dancing, and the occasional Limbo competition. Also during the month of May, the 5-14 Yrs. **Alpurrurulam Community Care Centre**  
**April – May 2019**

*By Community Care Team Leader*

---

This month in particular we have been delighted to have so many CDP participants join in and help at the Community Care Centre. On a few days of staff absences there has been no disruption to any service delivery with CDP participants readily stepping in and helping out on all duties. Also included some landscaping work around the facility to keep it safe, neat and tidy.

**Workplace and facilities**

I would like to welcome our new team leader to the community care team, Robbie Larkins has lived in community for around 4-5 years and recently moved over to community care as team leader. I would also like to thank Cameron Long for stepping up in to the acting role of team leader, he has done a great job in keeping things running and being proactive towards the program. We are pleased to have welcomed more clients from other communities, also we are having a higher attendance rate in the morning for breakfast in the center, we are also on more clients coming in to the center for lunch which is normally a hot meal. Having this interaction is good for the aged pensioners to communicate and engage in conversations in language and English which can aid in the onset of certain illnesses.

Our next goals as a team is to start engaging more of our NDIS clients in some small but productive activities such as gardening and painting. Even with the painting I would like to see a group mural done which we could hang in the center or main office building.

**Council and training**

I recently had been to Tennant creek and spend time in our main office learning and practicing gathering data and learning on new systems such as NDIS, HCSP and CHP.

We have recently had Kailas Kerr out from STEPS training work with the staff to reach their competencies in their studies.

In the next few months ahead we have some more training for staff members, Alwyn Loy and Robbie Larkins for 4wd training and chemical safety training which will be Robbie larkins and Cameron long.

Also in the near future Cameron will start to work more closely with myself to obtain the knowledge and skills to obtain the team leader position.

**Clientele and community engagement**

Our clients are currently between 11-20 clients on HCSP and HCP, our clients on NDIS is around 10.

CDP participants is great to have around as a pair of extra hands if other staff are away sick, also I'm trying to engage them in more daily work routines and activities as this up skills the CDP participants for future job opportunities or job roles. It also helps with their confidence in wanting to look for work.

**Table talk wish list:**

- More training opportunities for staff
- Day trips to the river
- Planting native trees into Community Care yard

The bus just makes everyday service delivery so much easier! Hoping to venture out on day trips very soon.
