1  Letter About Camp Fencing - LA.pdf

19 March, 2019

Jenny Woods
Department of Local Government and Community Services
GPO 2850, Darwin NT 0801

Dear Jenny Woods,

At a recent meeting of the Elliott Local Authority Meeting, the matter of Town Camp Fencing was discussed, as you may be aware under the Town Camp & Outstation funding between the Government and the Service provider, fencing is not included in this funding. As a result of this the fencing in and around the Houses at Gurungu Camp, Wilyugu Camp and Marlinja Community, are in disrepair.

The community are becoming concerned about the lack of Maintenance due to security and health issues, at present most houses do not have secure yards to keep their children inside away from the roads, they also have no way off keeping their pets secure in the yards, they are concerned that a young child can run through a hole in the fence or a broken gate onto the road and be hit by a vehicle. They are also concerned for the same reason for their pets.

Another issue that was raised was the security of locking a gate and keeping intruders out of their property, and away from themselves and their children, this is a major Safety issue for the residents in the camps.

The Local Authority Board would be grateful if you could kindly investigate the matter and advise them on what funding could be available to Barkly Regional Council and or another service provider, to fix the fencing and or what action might be able to be taken to rectify the problem.

Yours sincerely,

Christopher Neade

RECOMMENDATION

That Council:

- a) Receive and note the Operation Directors Report.

SUMMARY:

- The start of April has been a success with all 5 functioning Local Authority meetings making quorum. We also managed to fit all the Local Authorities into one week with the help of Katherine Aviation making it possible to get to four communities in two days.
- Whilst visiting Arlparra I caught up with some of the residents out there and we have started the conversation around getting more members for their Local Authority. I will catch up with them in May and hopefully we will get enough members to reinstate the Local Authority in Utopia.
- I will be on leave as of the 8th of April until the 7th of May, Robert Smith from Ampilatwatja will be acting Operations Director until my return.
- Barkly Regional Council had the signing of the Barkly Regional Deal on Saturday 13th April a great day for Barkly and the Communities of the Barkly Region.
- All Area Managers and Relief Area Managers (David Clucas at Alpururulam and Tracey Smith at Ampilatwatja) are continuing to run all Service despite some being short staffed.
- A LDM meeting is being held at Arlparra on the 17th of April, I will be able to brief Council on the meeting.
- Elliott football field should be complete and handed over by the time of the council meeting
- The Flowcon truck is out and about repairing roads in communities with visits to Ali Curung and Ampilatwatja
- Night patrol is operating a day patrol at Ali Curung
- I would like to say thank you to Mark Parsons for the opportunity to give me the support and trust to let me see the other side of the workings in the council other than A/M duties, in the last 5 years I have worked with BRC I have seen Major changes, all for the better giving better skill sets to the Employees they have within the council and I believe that the Council continues to get stronger and will continue to grow.

Leadership and Governance

The Northern Territory Government recognises that building and supporting strong Aboriginal leadership, governance and capacity building is fundamental to Aboriginal Territorians driving local solutions and leading the way in local decision making.

About the First Circles Program

The First Circles Leadership program is a unique program that brings new voices, and quiet voices, to the conversation to ensure Aboriginal people from remote areas are engaged and can confidently and directly speak to, negotiate and influence government about matters affecting their lives, their families and communities.

The Program provides an opportunity for participants to directly engage at the highest level of government. They meet with Cabinet to discuss matters impacting Aboriginal Territorians, their communities, and present local solutions.

First Circles is about identifying, mentoring and supporting the next generation of Aboriginal leaders with a strong focus on remote leadership.

The term 'First Circles' combines two concepts:

- Acknowledgement of 'First Peoples'
- The use of 'Circles' represents the collaboration between people and communities being the main driver to improve outcomes.

The First Circles Leadership Program helps participants develop and expand their leadership skills, develop their professional profiles and better understand the impact of public policies and programs on their communities, and help influence and contribute to change, while having direct engagement with Members of the Legislative Assembly, Ministers and Cabinet.

First Circles is an annual leadership program offered to 16 Aboriginal participants, eight from the southern and eight from the northern regions of the Territory.

An expressions of interest process is undertaken for members to nominate to be part of the program each year.

What is the role of First Circles members?

Members' roles include:

- A First Circles member must be an Aboriginal person who comes from a Northern Territory remote community, homeland or town camp
- Proactive in community and/or region
- Ability to liaise with community members, seeking advice and support for local and regional opportunities/initiatives
- Participate in community forums, projects and policy development
- Work collaboratively with the Department of the Chief Minister, local authorities and other agencies
- Support department officer visits and assist with community discussions
- Attend workshops and the Cabinet meeting and actively participate in discussions

How are First Circles members supported?

The First Circles Leadership Program is managed through the Department of the Chief Minister's, Aboriginal Affairs Strategic Partnerships, with staff providing mentoring to First Circles members.

First Circles members are not paid as the program is voluntary. The Department will meet the costs for members to attend workshops and the Cabinet meeting.

Program Outline

In the lead-up to a Cabinet meeting participants engage in leadership training; attend workshops designed to support their capacity to actively engage and communicate with government about priorities such as, local decision making and other matters that are important to them; and to collaboratively engage with all levels of government.

The workshops will include traveling to Darwin and Alice Springs.

To find out more about the First Circles Program and to nominate; go to nt.gov.au/oa or phone Andrew Ross on 8951 5687, or email oa@nt.gov.au.

Aged Care April 2019 Report

Maintenance

The new Camera System has been installed and is running well still waiting to be able to get the cameras put onto aged care mobile Grant came to have a look at putting on mobile but could not do it this trip hopefully be on next time he comes down. One Camera needs to be moved as it is obstructed by the pergola. Found a problem with one crimsafe screen door Harvey Development are coming 2/3/19 to rectify the situation, they never came have to follow up. The screen door has now been fixed and is lockable now and secure to the frame. The Pergola is finished and looks good the oldies like the look of it no we just need furnishings. Also told NT housing about the about a air con in store room not working. Someone cut a hole in the pergola screen door and has been reported. The hand wash station is being fixed within the next few weeks.

Administration

All paper work is up to date. We have gotten new ticksheets which have made things easier. We are still learning things like E tools and all the new paper work. CDCS came and went through the aged care centre and paperwork, most things were good and there are some things to improve and Carrie showed me how to do them and they will be implemented, all in all the visit went well. All ticksheets are sent to tenant creek on Fridays along with the temperature sheets and workplace inspections.

Aged Care

All services are being delivered. The oldies are happy we get more time with them. We are continuing to clean houses. And fox training is still in contact for Jody and I who are doing the cert 4 we have been going to tenant to skype and we are almost finished I think the start of march is the end date.. We have tried some new menu items which were well received. One worker moved jobs and we have advertised for a new one which will be a driver which will help as we only have myself and one other driver. We had one person interested in the job and am waiting to hear back from the lady hopefully we will have another driver soon. We took the Oldies down to the lake with the kids for school holidays they loved going there and fishing and going and getting wood for artefacts.

The Good

The job board is still working so the same people are not doing the same jobs.

We are getting to spend more time with the oldies, as well as going out and learning about bush medicine.

Going to the lake with the oldies.

The Steps Trainer was good and the ladys learned a lot.

CDCS coming to help improve the centre.

The Bad

Still have some trouble getting staff to work on Fridays.

Need more drivers so I can spend more time in the office

The job advertised is still vacant

Wishlist

The pergola to be finished with fans etc.

Furnishings for pergola table chairs and bbq.

Help to make a fire pit so the oldies can sit round fire and talk or cook food (bush Tucker)
