GENERAL BUSINESS

General Business allows the members of the Youth Advisory Council to raise their thoughts or concerns on items they wish to discuss that were not raised during the meeting. Several issues arose in General Business:

Youth Councillor Brooke Wilson questioned the status of the dark streetlights, particularly along Ambrose Street as per the Minutes or the June 25 meeting. Mayor Edgington noted that a second audit was underway which should clearly outline the dark areas in town. Once the dark areas were noted, work could commence on obtaining brighter lights.

The Youth Council also raised concerns about the amount of rubbish in town and questioned whether there were inadequate bins. Discussions were had about a potential culture of non-use of the bins and how the wind blows any loose rubbish around.

The Youth Council asked about the status of the BMX Track gates. Councillor McLaughlin noted that RISE were undertaking this project and that to his understanding the project would be commencing in the next couple of weeks.

The lack of footpaths and the standard of the existing footpaths were also discussed. The Mayor noted that the current focus was on fixing the current footpaths and then potentially adding more footpaths in the future. Approximately 26 footpaths in town are currently being repaired.

The Executive Assistant reminded the Youth Council of Council's new association with the app Snap Send Solve, to be used as a tool in the aid of damage and graffiti reports as they emerge

Youth Councillors Pickel and Wilson also requested Council consider the option of establishing a Jumping Pillow in town. Concerns were raised regarding the impracticality of people utilising the Jumping Pillow in summer due to Tennant Creek's excess heat. Mitigation measures potentially include establishing a shade sail area on top of the Pillow and ensuring jumpers must wear socks when using the Pillow.

Youth Councillor Pickel noted that most towns on the main roads between NT and Queensland had grassy/shady areas where people could rest on their travels and noted that Tennant Creek does not seem to have this option. The Mayor noted that Purkiss would be the designated place in town and that as part of the new Purkiss Design Implementation there would be signage on the main road indicating the way to Purkiss Reserve. The use of Davidson Walk as a type of thoroughfare for vehicles was also discussed.

7. CLOSE OF MEETING

ITEM NUMBER	6.2

RECOMMENDATION**That Council**

- a) Receive and note the report

SUMMARY:

Thank you for making the time to come along to the meeting today, I am sure you are all looking forward to the school holidays.

If you have finished year 12 and are planning on going off to University or gaining work outside of the Barkly Region please let me know if you will not be able to continue as a Youth Councillor.

Council has some large capital works projects we are working on at present, these include:

- The Purkiss Reserve upgrade
- The design and construction of a new Youthlinks building
- The design and construction of a cycle path along the main drain
- Re-design of the Tennant Creek landfill
- Possible upgrade of facilities are Mary Anne Dam
- The Turbo Charging Tourism upgrade of Paterson Street, Peko Road and Davison Walk.

The youth Council previously raised the issue of poor street lighting, we are currently in the process of going out to tender to have all the streetlights in Tennant Creek upgraded to LED lighting, the project will include additional lights in some areas. Once the project is complete a further lighting audit will be completed to identify any remaining dark spots.

Once we have draft designs for the Youth Centre we will seek feedback on the design from you to provide some advice to council on the layout. We are hoping to complete draft designs in the next week or two.

The café operator at the pool withdrew from their contract, for the time being the café has converted back to a kiosk operation selling cold drinks, ice creams and confectionary only. No decision has been made on whether the café will be put back out for expressions of interest to find a new operator.

I hope everyone enjoys the holidays and has a very merry Christmas and a safe and prosperous New Year. I will look forward to working with you in 2020
