19. RESUMPTION OF MEETING

RECOMMENDATION:

That Council move back into open session at 9:09am.

OPEN DISCUSSION:

Steve Edgington addresses the Council as the former Mayor – to thank the Council for their achievements they accomplished as a team along with the staff. Congratulations to the Council for rolling out their projects as part of the Regional Deal, well done. Thanks to Steve Moore and staff for their efforts and the work they have done.

Mayor McLaughlin extends congratulations to Damian Ryan on 13 years as Mayor.

Damian Ryan addresses the Council as the Mayor of Alice Springs Town Council - great to see the facilities Council has in place to include everyone in the meetings. Great to see the Barkly grow from a small cautious council to a leading, confident council. Steve Moore, you have done a great job as CEO. It has been a privilege working with you in Local Government and to have you as a neighbouring Coucnil.

Cr. Hal Ruger addresses the meeting - I have been on the council for 17 years and I think this has been one of the most productive Councils I have been a part of.

Cr. Karan Hayward addresses the meeting - This is one of the most productive Councils, and I am glad I could be a part of it. Start bragging more on what you do – let the community know about Council accomplishments.

TITLE Chief Executive Offier Update

AUTHOR Steve Moore, Chief Executive Officer

RECOMMENDATION

That Council

a) Receive and note the report

SUMMARY:

Congratulations on your election to Barkly Regional Council, over the next four years you will guide the strategic direction of Council for the benefit of our residents and visitors.

23 September 2021

BARKLY REGIONAL COUNCIL

As outlined in yesterday's Councillor Induction, I am here to assist you and I am generally contactable 24/7. If you are unsure of anything or want to raise an issue with council you can call in, email or call me any time.

In general, my reports will cover off any key issues or achievements during the preceding month. I will usually provide updates on any long running issues or projects to keep you informed of what is happening within Council. With a number of new councillors on council all reports will have a background briefing to give you a better understanding of the history of any current issues.

Each Directorate provides updates to each Council meeting on their activities during the month and any looming challenges. We take great care to ensure we do not overspend funding and any unprofitable programs are terminated to protect Council. In general we receive administration fees to run funded programs.

We have four long running project that continue to frustrate Council:

- The Purkiss Reserve redevelopment (Recoverable works with DIPL)
- The Tennant Creek Street Scape Project in partnership with Tourism NT (Recoverable works with DDIPL)
- Additional land for Tennant Creek Landfill transferring Crown land from DIPL to BRC
- Tennant Creek Bike Path need DIPL to grant access to the land

Each of these projects are progressing painfully slowly and have consumed significant resources and cash. To date we have spent over \$600k meeting the requirement of the EPA around the landfill licensing and extension. I will give a more detailed overview during the meeting.

The last Council worked hard to gain additional funding to improve Councils infrastructure. There are currently around 15 projects underway or recently completed. This represents years of work and millions of dollars of funding. Santosh provided an update at yesterday induction and will provide a further update today on the status of key projects.

The toilet fire at Peko Park is currently being assessed by the insurers, we will keep council informed of developments and at present the structure is written off and beyond economic repair.

Unfortunately we had a fire at the Tennant Creek landfill during the month as well. With a strong westerly wind blowing it took significant resources to extinguish the fire. NT Fire Service, Julalikari, Barber Hire and Council equipment and personnel all assisted to put the

fire out. The matter was reported to the EPA in accordance with our license and we do not believe we have breached our license so this should be the end of the matter. It should be noted that the EPA can be very difficult to deal with on matters such as this so if any additional information is requested we will engage our lawyers to handle the process. A big thank you to all who assisted with extinguishing the fire.

One of the projects I am participating in is NTG's Local Government 2030 strategy. This has been drifting along for some time but is now back on track with the next week scheduled in early October. These meeting are about the way we work together and the long term outlook for Councils. It is likely that in the coming months Elected members will be invited to participate in the process.

The Barkly Regional Deal continues to move along, Sharen Lake and I are the Council representatives on the Governance table. Council does auspice the funding for the Backbone team that supports progressing the deal. We also lead the community sports initiative and the BBRF infrastructure program, both are significant activities for Council. The Backbone team will generally present updates to council every two months.

The finance report from James will cover off our current financial performance against budget. The budgets are approved prior to the end of each financial year, so this year's budget is already approved. A budget review will take place prior to December, this will identify any anomalies or variations against the approved budget. We generally control our finances well, though money is always tight.

If you have any questions or would like access to any information please contact me any time as I am here to assist. We look forward to working with you over this term of Council.

ITEM NUMBER 7.3

TITLE Election of the Deputy Principal Member

REFERENCE 325913

AUTHOR Millicent Nhepera, Governance Officer

RECOMMENDATION

That Council

a) Receive and note the report

- b) Decide on the term of office for a Deputy Mayor.
- c) Nominate and elect Deputy President for the term decided by Council

SUMMARY:

This report seeks Council's approval for the election of a Deputy Mayor

BACKGROUND

Term of office for the deputy mayor

Under section 62(2) of the Local Government Act 2019, the deputy mayor may be appointed for a term of office either:

23 September 2021

BARKLY REGIONAL COUNCIL

- a) ending at the conclusion of the next general election (ie-council's full term), or
- b) a lesser term fixed by council at the appointment (for example a 1 year or 2 year term)

Voting for the Deputy Principle Member

Section 61(3) of the Local Government Act 2019 requires Council to appoint one of its elected members to be the deputy principal member (Deputy Mayor).

The Mayor will call for nominations for Deputy Mayor of the Council. Councilors are requested to nominate someone, including themselves, and to advise the Mayor of that nomination.

If there is only one person nominated, the Mayor will declare that person as Deputy Mayor of the Council. If there is more than one nomination, the President will assist with a ballot which will mean that a vote will be required by members in order to appoint a Deputy Mayor.

Under Section 95 (5) of the Local Government Act 2019, and our Code of Meeting Practice Policy, each member has one vote and a decision carried by a majority of the votes of the members present at a meeting of a Council is a decision of the Council.

Under Section 95(7) of the Act and our Code of Meeting Practice Policy, voting is by show of hands, unless there is a unanimous decision to vote by secret ballot.

- Cultural Competency Committee- all aboriginal elected members
- Purkiss Reserve Committee 2 elected members needed.
- c) Appoint elected members to the following sub-committees
 - Procurement sub-committee 3 councilors
 - Human Resources 3 elected members

SUMMARY:

Outlined below is a brief description of Council committees, their purpose, and a list of the vacancies

BACKGROUND

PURKISS RESERVE CONSULTATIVE COMMITTEE

The Purkiss Reserve Consultative Committee's purpose is to assist and advise Council on the effective use of the Purkiss Reserve Oval. The effective use of Purkiss Reserve by user groups for maximum benefit to the whole community is key to ensure effective operations, i.e. cost savings and efficiencies.

Council wants to ensure that the community receives the opportunity to engage in as many sports and events as possible. To achieve this, Council requires the advice of the PRCC to make informed decisions.

The minimum requirement of members for this committee is: 7 appointed members plus 2 **Elected Members (Councillors)**. The CEO also attends this committee's meetings.

HR COMMITTEE

The HR Committee's purpose is to make recommendations to Council of a variety of strategic staffing matters and staffing levels. Individual salaries and wages are approved by the CEO in line with the approved delegations.

The committee can make recommendations on CEO Recruitment and remuneration at Council's request

The HR Committee is made up of **3 Elected Members** as well as the People and Culture Manager and the CEO. The CEO will chair the meetings.

The committee meets as required

AUDIT AND RISK COMMITTEE

The objective of the Audit and Risk Committee is to advise Council on, and where delegated, determine upon matters outlined in the roles and responsibilities of the Audit Committee. This includes the provision of independent review and assistance to the Council, Chief Executive Officer and executive management on Council's risk, control and compliance framework, and its financial statement pertaining to its financial management responsibilities.

The minimum requirement of members for this committee is: **5 Councillors** as well as the Finance Manager. The chair is usually the Finance Manager.

The committee meets quarterly or as required

CULTURAL COMPETENCY COMMITTEE

The objectives of the Cultural Competency Committee is to develop and monitor cultural protocols and cultural competency guidelines for the operations of the Barkly Regional Council, in consultation with Elders, language groups and remote communities of the region. The committee's purpose is also to provide advice and guidance to the Council on matters of cultural importance.

The Cultural Competency Committee is made up of all our **Aboriginal Councillors** and the Mayor.

The committee meets as required

YOUTH COUNCIL

The purpose of the Youth Council is to provide young people in our community a voice to discuss issues relevant to them. As well as provide them with an opportunities to inform council of issues and initiatives. It is the hope of Council that being part of a Youth Council will also promote the social and professional development of young people in our community.

The Youth Council is made up of members of the Tennant Creek community aged 14-18 years. The Mayor and CEO attend each of these meetings and assist the Youth Councillors with running the meetings.

The youth council meets quarterly

PROCUREMENT COMMITTEE

The Procurement Committee's purpose is to review the processes around Council's procurement practices and policies. They also review any procurement that the Council feels needs to further analysis.

The Procurement Committee is made up of **3 Councillors**, the Mayor, the CEO and the Infrastructure Director. The meeting chair is the Infrastructure Director.

The committee meets as required

RECOMMENDATION

That Council

- a) Receive and note the report
- b) Appoint the following members to each Local Authority
 - Tennant Creek
 - Elliott
 - Ali Curung
 - Alpurrurulam
 - Ambilatwatja
 - Alparra
 - Wutungurra

SUMMARY:

This paper comprises the details of Local Authorities at Barkly Regional Council.

BACKGROUND

Barkly Regional Council runs 7 Local Authorities throughout the region, namely Tennant Creek, Elliott, Ali Curung, Alpurrurulam, Ambilatwatja, Alparra and Wutungurra. Each local authority has 7 appointed members, who are chosen by council from a list of people who submit nominations.

23 September 2021

BARKLY REGIONAL COUNCIL

The mayor is an ex-officio member of the LA's.

Under section 77(1) of the Local Government Act 2019, each local authority should have at least 1 elected member on it. That member should be from the local authority area that they are appointed to sit on. For example, a Patta councilor cannot sit on the Ali Curung LA. Councilor may choose to have more elected members on the LA, but should endeavor not to have more elected members than appointed members.

The term of each LA is two years. The terms for this current LA is still running. However, council may wish to consider going out for new nominations, to start a new LA term. Nominations are currently being advertised for Elliott, Ampilatwatja and Alparra and Ali Curung, to replace appointed members who are now council members.

RECOMMENDATION

That Council

- (a) Receive and note the Grants Report for the two months ended 31 August 2021.
- **(b)** Note and accept the attached SPG acquittals

SUMMARY:

Council receives many and varied grants. The attached information will be presented to the Council at every meeting to allow the Council the opportunity to better understand and monitor grants income and the grant funded activities of Council.

BACKGROUND

Part of the end of year process with SPG's is to acquit the funding on their template which needs to sit before a council meeting and be noted and accepted in the minutes. BRC then sends the minutes to the department (NTG) with the signed template, financials and all expense invoices.

Attached are the EOFY reports for:

Elliott and TC Street Lights, Refurbish staff house (Elliott), Priority Infrastructure Fund and SCALE.

If the acquittal spans over a number of years, the rollover is noted.

COMMUNITY DEVELOPMENT DIRECTORATE

ITEM NUMBER 10.1

TITLE Community Development August 2021 Report

REFERENCE 328817

AUTHOR Sharen Lake, Director of Community Development

RECOMMENDATION

That Council Receive and note the Community Development August 2021 Report

23 September 2021

BARKLY REGIONAL COUNCIL

SUMMARY:

COMMUNITY SAFETY PROGRAM

The Community Safety Program worked well at most of our Communities throughout the month. At present Tara and Arlparra require Staff to operate the service, recruiting has been ongoing for those vacancies.

The Management Team provided support and assistance to the NTEC Staff who coordinated the Local Government elections with mobile polling teams attending Arlparra, several outstations, Tara, Wutunugurra, Canteen Creek and Mungkarta.

It was a good opportunity for the Program to engage with Community members at many of the outstations in the Arlparra region that usually would not see a Community Safety presence.

Recruiting continues to be a challenge, with several vacancies existing within the Program and the resignation of one of our Community Safety Managers, TJ Thomas. Recruiting for this position has commenced.

The second patrols at Elliott and Ali Curung are working well, increasing the service's profile and presence in those respective Communities.

There were no major events or incidents reported involving the Community Safety teams during the month.

LOCAL LAW RANGERS (includes Environmental Health)

During the month, there was:-

- o 5 dogs impounded
- o 2 dog adopted
- 1 fostered
- 1 cat adopted

The Local Laws team have been working on many issues this month including multiple regulatory orders including Centralian Motors building on Paterson Street, Meyers Street vehicle removals and gravel layers over bulldust on Standley Street block to stop dust going into residential homes.

The Environmental Health Worker has been working with NT Government around mosquito concerns and supported NTG Weeds Department in delivery of training in a number of communities.

There were also a number of complaints raised about laneway clearances, tree clearances and illegal dumping that were dealt with.

Frieght continue to offload on the road, reported to WorkSafe again. Have not had any contact back from NTWorksSafe

Abandonded vehicles clean up through Community Living Areas (CLA's).

Many of these vehicles removed were not owned by people in Tennant, often abandoned by people coming in from remote communities. They pose a EH risk to residents.

YOUTHLINX

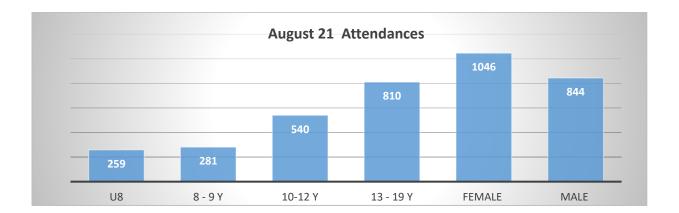

Our activities have been very successful this months with high numbers attending and very good family participation.

Ongoing collaboration with activities, working with JMF, Anyinginyi and Regional Sports staff to delivery soccer, basketball and oz tag.

LENAESHA NOONAN was awarded a Youthlinks voucher for having a strong heart and great relationship towards the team members. Lenaesha has shown kindness by helping our youth worker giving out food and help with cleaning on every Disco

Nights, her great work ethics has continued for months and made us realised that this kind of behaviour needed to be rewarded.

REMOTE SPORTS AND RECREATION

Youth Sport & Rec – (on Community)

Ali Curung- It was a very excellent month with our Naidoc community day all the programs interacted with one and other, with 200 plus kids and the local community band even showed off their talent to what was an outstanding crowd.

Arlparra- This month was amazing, this was the month we went to CAAMA studios central Australia Aboriginal music association were we recorded 6 songs and had a quality photo shoot, then to top it all off we played in a consort on the Thursday night at rock bar. What a month!!!

Ampilatwatja- Upgrades to our facility are still underway so activities have been held out on the oval. This month was good, average participation however we still made the most with the youth that came. For example playing soccer, tennis, football and iPads then nutrition wise we cut up fruit and made sandwiches. The weather made it a bit challenging at times however the children and youth still participated.

Elliott- Recently struggled with lack of staff but now on the up as recently recruited Marcia Neade who is going really well, for the majority of the month the vehicles were in Tennant Creek for repair as a result of this community safety have been extremely supportive in taking all the kids home at the end of play.

Alpurrurulam – The Team Leader has resigned we are currently in the process of requiting for this position. On a more positive note there has been some real upgrades to the main hub "the shiny shed" having an awesome new basketball court laid along with an amazing new skate park and to top it all off a brands new playground. Set to be back open for business late September/ early October. While all this has been going on we also recently recruited some casual staff that have been working closely to keep the sport going while the shiny shed gets the finishing touch for the grand opening.

Epenarra- This month has been extremely sporty across the board, mainly with softball and dodgeball, also started a nutrition program, It was great to see that they brought a side for softball in to Tennant Creek and had a great couple of days in the competition.

Individual attendances over the month:

AGED CARE & NDIS REGIONAL COMMUNITY CARE MANAGER REPORT

Service provision overall has increased over the past 12 months, with Elliott, Arlparra and Ampilatwatja having increased client numbers.

During the month we submitted a NATSIFAC Biannual Grant application for Training, new fridges for Alpurrurulam and Elliott & new printer/scanners for each Centre.

The Regional Manager submitted an Service Development Assistance Panel (SDAP) application for assistance to update Policies and Procedures, Client Paperwork, Evaluate COVID Response, Financial Management (unit pricing), this has been approved and Culturally Direct Care Solutions (CDCS) have been awarded the contract.

COVID vaccination data is being entered weekly to My Aged Care by Regional Manager, only numbers of staff vaccinated is entered, no personal details are required.

We have COVID Measures in place at each centre including, Contact Registers, Daily Staff Health Checks & Verbal Client Questionnaires. The Regional Manager receives regular updates from the Department of Health and the Aged Care COVID Response Team.

NDIS - Telehealth now being used in Alpurrurulam to deliver therapy services and LLN lessons to participants and weekly OT is now being delivered to three participants and weekly speech therapy is being delivered to 1 participant with two more about to come on-board. During the month we trialled an NDIS specific support worker in Alpurrurulam and worked on updates as per the audit report.

Telehealth systems have arrived for Ampilatwatja, Ali Curung and Elliott, which will be installed next month.

We have successfully recruited a new Coordinator for the Ali Curung Safe House.

During August, the Service Delivery had some interruptions with COVID-19 Restrictions of social distancing, hand washing and mask wearing. However, the Safe House remained open especially to Emergency Accommodation.

SWIMMING POOL

Successful in securing Community Benefit Funds for swimming pool covers. Procurement are managing quotations and process for securing best buy. The covers will be ready for the next cooler months.

Barkly Sports Initiative

August was focussed on the planning of the National Indigenous Tennis Carnival in Darwin that was unfortunately cancelled at the last minute due to the COVID outbreak in Darwin on Monday 19th August.

Softball

The following week our team and the Youth Sports and Recreation Officers from communities, delivered the Regional Softball competition here in Tennant Creek along with Softball NT. There was a lot of preparation to do with coordinating teams, draws, marking out fields and ensuring the facility and equipment was prepared. There were 6 teams in total, Firebirds, Canteen Creek, Laramba, Epenarra, Ti Tree and Engawala. The competition started on Friday evening and concluded late Saturday afternoon.

Soccer

Continues to grow, and have been planning for a Tennant Creek tournament night for September and also planning for a trip to Katherine in October.

Boxing

Boxing is still on hold. A number of issues are starting to be resolved. Conversations with coaches are happening to see what the best outcome for all involved. There was a break in and some damages to the facility, which BRC was called to deal with. There needs to be some resolution around the facility and who will support the maintenance of it for community use, if this is to continue.

Volleyball

Meetings with Pool Manager in the planning of setting up the Volleyball court for community use. The SPC are developing a handling manual for the life guards to understand the set and pack down procedure. The Volleyball will look to be set up on a Saturday and Sunday for community use.

Further to the setup, there is a netting system that the SPC are looking to set up to stop balls going over the fence.

BSH

Setting up the Barkly Sports Hub has been pushed on to the committee to finalise and develop a frame work that they believe is suitable. There has been a lack of commitment and is causing a hold on the progress of the sports Hub. For the Sports hub to move forward, there needs to be more commitment from the members or the Sports Hub needs to be restructured to how it can be successful. However the SPC are moving forward with the delivery of sports and the planning of future events.

A) Receive and note the Operations Directors Report

Mid-August to Mid-September Operations Director Report Summary:

This month has been very busy for me, as I have recently been appointed as the Director of Operations.

It has been a steep learning curve and I thank everyone for their ongoing support since being in this role. I am learning the ropes and already helping my team to solve problems and get the job done.

23 September 2021

BARKLY REGIONAL COUNCIL

Due to Local Government Elections we did not hold any Local Authority meetings. This was done based on advice from the Dependent of Local Government. We now have to recruit several new LA members and also appoint Councilors to the LA's in accordance with the new guidelines.

I have been able to travel to Wutunugurra, Elliott, Ampilatwatja, Ali Curung & Alpurrurulam to work with the Area Managers to improve services in these communities. It was good to see the great work that all the staff were doing in the communities and assisting them with some of the challenges they might face in this role.

Elections:

We had Local Government elections and for the first time this was delivered by Council, it was a great effort by all staff that were involved including Community Safety & Area Managers and their teams in each of their communities.

Fionn was great in setting it all up in conjunction with Community Safety staff. I travelled with Electoral Commission staff and provided assistance in Ampilatwatja, Ali Curung & Murray Downs. Whilst the voter turnout was not as great as hoped it was good to see the effort by all the staff to make this as successful as we possibly could. Giving all the voters a greater opportunity to vote in their respected communities.

Local Authority:

In Wutunugurra the BMX track has been completed, the Art Centre upgrade was also completed and will be handed over this week.

In Alpurrurulam the works are nearing completion at the Youth Sports & Rec Centre with new Basketball Court, Skate Park & Playground all completed. Fencing works has commenced & will be completed by the end of this month, which will allow the Youth Sport and Rec team to work from an upgraded facility with the opportunity to provide a range of activities for the youth of Alpurrurulam.

In Ampilatwatja, work is continuing with the upgrade of the Youth Sport & Rec facilities which will be completed by the end of October.

Elliott works are nearing completion on the football change rooms and the community is looking forward to being able to use them.

Tennant Creek Depot team has been doing a great job in providing services to Tennant Creek. We had a landfill fire during the month and I would like to say a big thank you to all the team at the depot for their assistance in fighting a fire at the waste management site. The NT Fire Service, Barber Hire and Julalikari all helped fight the fire and we could not have put the fire out without all the assistance.

LGANT EXECUTIVE CASUAL VACANCY NOMINATION AND ELECTIONS

Further to my email sent Wednesday 1 September 2021, I hereby advise that under the Constitution of the Local Government Association of the Northern Territory, Section 14.12, I am bound to call for nominations for the three Executive casual vacancy positions.

As discussed in previous correspondence, it is not reasonable nor practical for the LGANT Executive to appoint the three casual vacancies for one meeting in October. Rather, an election for casual vacancies on the LGANT Executive will be held on 5 November 2021 at the LGANT Annual General Meeting (AGM) to be held at the Alice Springs Convention Centre.

The status of the Executive after the recent local government elections is shown in Table 1:

Table 1
LGANT Executive as at 13 September 2021

Executive Board Member - Municipals (One position)	Vacant	
Executive Board Member - Municipals City of Darwin appointed (One position)	Alderman Peter Pangquee	City of Darwin

Telephone Website (08) 8944 9688 www.lgant.asn.au 21 Parap Road, Parap NT 0820 PO Box 2017, Parap NT 0804 The following councils are ineligible to nominate in the elections as they already have a member on the Executive:

- · City of Darwin
- East Arnhem Regional Council
- Roper Gulf Regional Council
- Victoria Daly Regional Council
- Wagait Shire Council

Councils should bear in mind that if they submit more than one nomination for positions on the Executive that:

- · only one candidate can be elected per council
- once a candidate is elected from a council, if there are other nominations submitted for a further Executive position then that nomination:
 - will lapse
 - will be withdrawn by having the name of the candidate crossed out on ballotpapers for remaining elections.

Nominations are called for three LGANT Executive positions listed in Table 2 below:

Table 2
LGANT Executive Positions and Elections to be held (in descending order)

Position and order of elections	Number of positions available	Councils that can vote
Vice President - Municipals	One	Municipal councils only
2. Executive Board Member – Municipals	One	Municipal councils only
3. Executive Board Member – Regional and Shires	One	Regional and Shire councils only

Attached is the nomination form for the various Executive positions.

I would be grateful if you could have the matter considered at your next council meeting. Nominations are required to be emailed to elaine.mcleod@lgant.asn.au by Monday 4 October 2021 with a short biography to be included in the agenda papers for the AGM. Members nominating will have an opportunity to speak to their candidacy at the AGM for five minutes only should they desire to do so.

The Northern Territory Electoral Commission will again conduct the counting of the votes for the election.

If you have any other queries, please contact me.

Yours sincerely

Dear Mr Moore

I would ordinarily write to the Mayor on this matter, but given the timing of this correspondence so close to the recent local government elections, I determined it more appropriate to write to you in your capacity as Chief Executive Officer, in this instance.

The term of the three current community members (local government council nominated members) on the Tennant Creek Division of the Development Consent Authority expires on 3 December 2021.

The three current community members are Councillor Siddhant Vashist, Councillor Kris Civitarese and Councillor Hal Ruger (alternate community member). The alternate community member acts for a community member when they are absent or unable.

In accordance with section 91(2) of the *Planning Act 1999*, the number of persons nominated must be at least one greater than the number of vacancies to be filled. Accordingly, could you please nominate four persons you think suitable to appoint as community members.

You are required to include with your nominations a completed registration form (attached) for each nominee.

Community members may be councillors/aldermen, or members of the public with good standing whom the local authority believe will represent the community. An employee of a local authority is not eligible to be appointed as a community member for that local authority.

Please note that pursuant to section 91(3) of the *Planning Act 1999*, if the local government council fails to nominate the number of persons required, I may appoint any person I consider fit.

Please provide your four nominations and completed registration forms to myself at minister.lawler@nt.gov.au with cc to development.consentauthority@nt.gov.au by 25 October 2021.

If you have any questions in relation to this correspondence please contact Ms Dawn Parkes, A/Director Development Assessment Services on 08 8999 6048 or dawn.parkes@nt.gov.au

BRIEFING PAPER – CHIEF EXECUTIVE OFFICERS LOCAL GOVERNMENT ELECTED MEMBERS INDUCTION SYMPOSIUM

Subject:	Local Government Elected Member Induction Symposium 5 & 6 October 2021 in Darwin	
Action Officer:	Peter McLinden	Date: 9 September 2021

LGANT Strategic Priorities

SP1	Strengthen financial sustainability and governance, and develop the workforce
SP2	Build the profile and reputation of the local government sector

Introduction

We are aware that councils are preparing "Induction" and/or "Welcome Packs" for their new and returned elected members in readiness for their first Ordinary Meetings following the Declaration of the Polls. This brief and the attachment may assist you.

What is the recent history on this issue?

- Letters to the Department of Local Government, Housing and Community Development requesting the repurposing of training grants monies to a Local Government Elected Member Induction Symposium 28/72020 & 1/10/2020
- General Meeting 22/04/21Executive meeting 18/05/2021
- Letter and agreement for the repurposing of training grants monies 7/06/2021
- Agreement signed and forwarded to the Department of the Chief Minister and Cabinet 7/06/2021

At the LGANT General Meeting 22 April 2021 members requested LGANT advocate for and look at funding an "Elected Member Induction Symposium" after the August local government elections.

Members supported holding an Elected Member Symposium eight weeks after the Local Government Elections in August 2021.

At the Executive meeting 18 May 2021, the LGANT Secretariat was asked to explore external funding opportunities for a two-day elected member induction program.

What is the aim of the Symposium?

The symposium will be an "induction" for newly elected members and a refresher for returning members. It will;

- serve as a familiarisation of the local government sector and its role,
- hear from some of our key stakeholders, and
- support members to gain a working knowledge of how a good council meeting should be run and how to contribute.

This event is not considered as mandatory training under the Local Government Act 2019.

1|Page

The NT government has approved the repurposing of \$37,888 from a previous grant to support the Symposium and we have several sponsors contributing.

When is the Symposium and what will be in the program?

The symposium is being held over two days on 5 and 6 October 2021 at the *Double Tree by Hilton Esplanade*, *Darwin*. A formal dinner will be held at the conclusion of Day 1.

The two days will be a mixture of open forums, presentations, interactive sessions, and discussions designed to facilitate an understanding and appreciation of the skills and knowledge needed to be effective and inclusive elected members.

The program is currently being finalised. **An extract of the current draft program is attached**. We do have notional speakers and panel members however as they can't be confirmed until 13 September when the Declaration of the Polls is expected to be made.

BARKLY REGIONAL COUNCIL

Minister for Indigenous Australians Member for Hasluck

Reference: MC21-001582

Councillor Jeffrey McLaughlin Mayor Barkly Regional Council PO Box 821 TENNANT CREEK NT 0861

Dear Mayor McLaughlin

Thank you for your correspondence of 30 March 2021 regarding your concerns about the performance of a Community Development Provider (CDP) in the Barkly Region, Rainbow Gateway Ltd. I apologise for the delay in responding to you.

The Morrison Government is delivering substantial reforms in the 2021-22 Budget to secure Australia's recovery, by helping Indigenous Australians into quality and long-lasting jobs, strengthening Indigenous businesses and community organisations, and backing our commitment to transform the way governments work with Indigenous Australians. As part of this we will develop a new remote jobs program to replace the CDP from 2023. This program will be designed in partnership with remote communities, with pilots to commence later this year.

The National Indigenous Australians Agency (NIAA) considers job seekers and their communities to be at the centre of the CDP and has established processes to ensure service delivery meets these expectations. The NIAA undertakes regular reviews of CDP Providers' performance in order to assess the quality of service delivery by CDP providers.

I have been advised that Rainbow Gateway Pty Ltd would like to work with your Council to develop a Memorandum of Understanding (MOU) to formalise a partnership and better understand joint priorities and expectations. I understand COVID-19 travel restrictions may have delayed initial meetings on the MOU, but plans are underway to reschedule in the next month. I would encourage you to work with Rainbow Gateway Pty Ltd to explore local solutions, address barriers and build thriving communities that are safer, healthier and more resilient.

I have asked NIAA representatives to monitor this situation and support the development of an MOU, to ensure your concerns are addressed. If would like to discuss the matter with the NIAA staff, I encourage you to contact Byron Matthews, Central Australia Regional Manager, National Indigenous Australians Agency on 08 8958 4251 or byron.matthews@official.niaa.gov.au.

Parliament House CANBERRA ACT 2600

The NIAA is currently undertaking a review of all CDP Providers' performance and will take into consideration observations made at CDP provider site visits, local knowledge and discussions, complaints received by NIAA, information from CDP providers and CDP data.

Thank you once again for raising this matter.

Yours sincerely

The Hon KEN WYATT AM MP Minister for Indigenous Australians

Steve Dear Mr Moore

Re: Safe highway driving campaigns for visitors

Thank you for your letter of 9 August 2021 regarding the poor driving behaviour and near misses on the Stuart Highway between caravans and road trains.

I understand and appreciate the councils concerns and can advise that the department currently promotes safe driving with road train messages to self-drive visitors through:

- Multilingual "Safe Driving in the NT" Travel brochures, available through Tourism Information Centres, hire car companies, on the Tourism NT internet site and the NT Government internet site;
- Safe Driving pages on Tourism NT and Towards Zero websites;
- · Information signage at some rest sites;
- · Road User handbooks and the DriveSafe NT program; and
- Road Safety promotion at community events and festival.

This year we have committed funds to work with the NT Road Transport Association to review and refresh the previous community educational campaign that you referred to in your letter.

The department is also committed, through the Towards Zero Road Safety action plan to review and improve road safety signage across the Northern Territory road network including increased speed awareness and distance to destinations signage, overtaking lanes and rest stops. This work is underway and will be ongoing.

I would also like to bring to your attention our Towards Zero Road Safety Grants Program. Although the Community Grants are closed for this financial year the Road Safety Quick Grant Round will remain open throughout 2021-22 if your organisation wishes to implement any road safety initiatives in your region. Visit www.towardszero.nt.gov.au for more information.

I appreciate you raising this matter and your support to improve road safety in the Territory.

Yours sincerely

Andrew Kirkman Chief Executive

Dear Mayor McLaughlin Tettrey

Thank you for your correspondence of 15 July 2021, regarding the health centre in the community of Wutunugurra (Epenarra).

Due to the COVID-19 pandemic, it has become increasingly difficult to recruit and retain adequate numbers of Remote Area Nurses. NT Health Central Australia and Barkly regions are consequently experiencing challenges maintaining adequate staffing levels in all 28 remote health centres across both regions.

Fewer nurses are applying for positions and agency nurses are becoming more difficult to source, with potential staff less willing to leave their home community during the pandemic.

As a result of continuing staff shortages and in order to manage staffing shortfalls, a number of smaller two-nurse posts have moved to receiving visiting services from the nearest larger health centre. In the case of the Wutunugurra community, the Canteen Creek Health Centre provides a visiting service two days per week, along with 24/7 emergency services.

NT Health remains focused on delivering optimal health care services in the regions, and as such, has established a taskforce to review service delivery models and explore new recruitment initiatives.

Thank you for bringing the concerns of the Wutunugurra community to my attention.

Kind regards

Mr Jeffrey McLaughlin Mayor - Barkly Regional Council PO Box 821 TENNANT CREEK NT 0861

Dear Mayor McLaughlin, Je Acey

Thank you for your correspondence dated 29 June 2021, highlighting Barkly Regional Council's concerns regarding community safety.

Any instance of sexual assault is unacceptable.

Police are working tirelessly in the Barkly Region to not only address sexual assaults but other offences that contribute to violence in our community, like secondary supply of alcohol.

On 28 May 2021, the Northern Territory Liquor Commission concluded its inquiry into the variation of the conditions of licences in the Barkly region. That inquiry included submissions from a range of stakeholders including the Barkly Regional Council. Upon review of all the evidence the Commission is satisfied that the varied licence conditions are in the public interest, having regard to the primary and secondary purposes of the *Liquor Act 2019*.

I acknowledge the hard work to date by Council and welcome the offer to continue to work collaboratively with Council going forward.

When I travel to the Barkly Region next I would welcome in person discussions with yourself but in the interim I encourage Council to also raise these issues with the Superintendent Tennant Creek, Kylie Anderson. Superintendent Anderson is a hard working police officer with much experience policing in the remote locations of the Northern Territory.

Yours sincerely

Subject: Terms of appointment of DCA Members nominated by Council and Council Elections

Good Afternoon

Council elections are scheduled for Saturday 28 August 2021 with declaration of the elections results on Monday 13 September (this date is to be confirmed).

Section 92(2) of the *Planning Act 1999* states that DCA Members who are nominated by the local Council hold office until the expiration of 3 months after the declaration of the polls.

Whether you nominated to continue on Council, were not successful in the election, or did not nominate to continue on Council; all current DCA Members that were nominated by the local Council will continue their term of appointment till midnight on 3 December 2021.

The timeframe from the date of the declaration of the polls to 3 December will enable the nomination by Council's and appointment of DCA members to commence from 4 December 2021.

In summary, all current community members of the DCA can continue attending DCA meetings up until, and including, 3 December 2021 regardless of what happens in the upcoming elections. Any current DCA community members that are nominated by the newly elected Councils, and re-appointed to the DCA, will receive new terms of appointment to commence from 4 December 2021.

If you have any questions please feel free to contact me on the details provided below or call Dawn Parkes (A/Director, DAS) on 8999 6048.

Kind regards,

Breanna Lusty

Subject: Justice of the Peace

Good Morning,

I am writing to raise the issue with council of the lack of Justice of the Peace (JP) within Tennant Creek and the Barkly.

As Ms Enisa ZENDELLI has now left town we currently have two JP's in town, being Mr Thomas HAINES and Mrs Penelope CURTIS.

Mr HAINES is employed in a role with the Department of Industry, Tourism and Trade requiring him to travel away from Tennant Creek, often for several days at a time.

Mrs Penelope CURTIS is also intermittently available within Tennant Creek.

I request that upon the formation of a new council, serious consideration be given to councillors and the Mayor making application to become JP's within Tennant Creek.

The requirements to be a JP within the Northern Territory are

- have lived in the Northern Territory (NT) for at least 12 months
- intend to stay in the NT for five years
- be enrolled on the NT electoral roll at your current address
- be of good character and able to provide three referee reports
- be able to show a need for a JP in your community
- show knowledge of the role of a JP
- have a criminal history check by the NT police
- · agree to confidential inquiries being made about you
- agree to your name and contact details being published on the internet.

Please don't hesitate to contact me if I can be of any assistance.

Regards,

Blake.

26 August 2021

Hon Chanston Paech Minister for Local Government GPO Box 3146 Darwin, NT, 0801

Dear Minister Paech,

RE: Critical issue regarding rates exemptions

Council has requested I write to you regarding recent requests from Venture Housing to be granted an exemption from paying rates. At present Venture pays a little over \$15,000 per year in rates to Council on their recently acquired low income housing. Venture are building more dwellings in Tennant Creek so this number will increase in time.

On 6 August 2021, officers from the Department of Local Government held a video conference with council officers expressing concern that councils are currently not granting exemptions to Venture Housing. My CEO informs me that there was pressure applied to grant the exemptions as we may be breaching the Act. At this meeting it was also announced that between 40% and 60% of all public housing would be transferred to housing authorities in the future. This could lead to an even greater loss of rates income for Council.

Barkly Regional Council is already financially challenged with insufficient income to maintain our current assets. Should we be forced to grant rates exemptions to not-for-profit organisation such as housing authorities, we risk losing a big percentage of our rates income. At present approximately 35% or \$1.3m of our rates money comes from public housing.

Should we be forced to grant rates exemptions, every not-for-profit organisation in the Region will line up and request the same exemption causing an even greater loss of income. This will lead to public facilities such as the pool being closed and significant job losses to reduce our budgeted expenditure.

Council has sought legal advice on this matter and is prepared to defend our decision in court or with NTCAT should it become necessary. This would not be a good outcome for any of the parties involved.

Our Council needs you to stand up and support us to protect our income. This is blatant cost shifting from NTG to Councils who cannot afford to lose this income. Occupants of public housing use our roads and footpaths, rely on our public lighting and use our public spaces and facilities. These cannot be maintained without income and the end result would be public facilities closing, making Tennant Creek less liveable. If NTG wishes to subsidise the cost of rates they should do this directly with the housing provider. Our rates charges will still apply.

Barkly Regional Council 41 Peko Road Tennant Creek NT 0860 PO Box 821 Tennant Creek NT 0861 T: 08 8962 0000

E: reception@barkly.nt.gov.au www.barkly.nt.gov.au

We further request your urgent review of the Local Government Act to amend section 222 to make all rates exemptions subject to council's approval. Councils can then choose who is granted an exemption and who is not. Ultimately, everyone should pay to help cover the cost of maintaining council's public infrastructure.

Housing is not a Local Government responsibility and asking us to subsidise this is incredibly unfair and completely unsustainable.

This is by far the biggest risk to small Regional Councils and could ultimately lead to Councils going broke. This urgent matter requires your immediate attention. Our Expectation is that your Department also stands up to support this request rather than the current attitude of supporting the Department of Housing in gaining rates exemptions for Venture Housing.

Thank you for assisting in this matter. Should you require any additional information I am available at your convenience.

Sincerely,

Jeffrey McLaughlin

Grants Manager Business Grant Hub Department of Industry, Science, Energy and resources

Dear Mr. Williams

RE: Request of an extension of time to complete BBRF74029

Barkly Regional Council has received \$7,621,497 to complete four infrastructure projects, these are:

- Construct a new Youth Centre in Tennant Creek;
- Construct a new Youth Centre in Ali Curung;
- Construct a new skate part in Alpurrurulam; and
- Construct a new bike path in Tennant Creek.

In the difficult COVID environment of the past 18 months, completing infrastructure projects has been challenging due to the lack of skilled staff and complexities around land and remote community access.

Council has worked hard to keep these four critical projects on track and thanks to the combined efforts of our staff and contractors three of the four projects are scheduled for completion by the end of December, with the already completed skate park being one of them.

The fourth project, the bike path in Tennant Creek has suffered continual delays around gaining access to the land to build the bike path on. The project has \$1,089,347 allocated to it and at this time we do not expect to be able to complete the project by the end of December 2021.

While the design delays have been significant, we now have 100% designs completed that have been submitted to the Northern Territory Government (the land owner) for approval. We have also had to apply for a new AAPA clearance, which will not be completed until October 2021. Even once this is granted we will still require Ministerial approval for the land to be transferred to Council to build the bike path on.

We have consulted with NTG on the expected time required for the final approvals once the AAPA clearance is granted. While they have been reluctant to lock in a time frame, they do not expect any further significant delays.

Given the uncertainty around the AAPA clearance and the time frame for Ministerial approval we are seeking an extension on the bike path project until September 2022 to ensure we have sufficient time to complete this final project.

Council is incredibly disappointed the approvals for this critical piece of infrastructure have taken so long. The bike path along the main drain will turn a community hot spot into a well-lit usable area that all residents and visitors can enjoy.

Our sincere apologies for this delay, we will complete the project as quickly as we can once access to the land has been granted.

Thank you for your understanding on this matter.

Sincerely,
