

Dear Mayor and Patta Ward Councillors,

Re Issues and lack of response/engagement re rate issues

Many of the signatures attached met with you with in September (8) and November (24) in 2022.

The Barkly Regional Council failed to respond to complaints of the above meetings, our concerns remain outstanding and not resolved.

I understand Councillor McAdam wrote to you in June 2023 requesting that you and Councillors meet with us to discuss our concerns. (email attached)

Many of the concerns and unacceptable cost of rates and charges remain valid.

Accordingly we would like to meet with you and Patta Ward Councillors to discuss as a matter of urgency, preferably after 5 pm due to work commitments.

Kind regards,

Glen Barber of behalf signatures below.
