Leadership and Governance

The Northern Territory Government recognises that building and supporting strong Aboriginal leadership, governance and capacity building is fundamental to Aboriginal Territorians driving local solutions and leading the way in local decision making.

About the First Circles Program

The First Circles Leadership program is a unique program that brings new voices, and quiet voices, to the conversation to ensure Aboriginal people from remote areas are engaged and can confidently and directly speak to, negotiate and influence government about matters affecting their lives, their families and communities.

The Program provides an opportunity for participants to directly engage at the highest level of government. They meet with Cabinet to discuss matters impacting Aboriginal Territorians, their communities, and present local solutions.

First Circles is about identifying, mentoring and supporting the next generation of Aboriginal leaders with a strong focus on remote leadership.

The term 'First Circles' combines two concepts:

- Acknowledgement of 'First Peoples'
- The use of 'Circles' represents the collaboration between people and communities being the main driver to improve outcomes.

The First Circles Leadership Program helps participants develop and expand their leadership skills, develop their professional profiles and better understand the impact of public policies and programs on their communities, and help influence and contribute to change, while having direct engagement with Members of the Legislative Assembly, Ministers and Cabinet.

First Circles is an annual leadership program offered to 16 Aboriginal participants, eight from the southern and eight from the northern regions of the Territory.

An expressions of interest process is undertaken for members to nominate to be part of the program each year.

What is the role of First Circles members?

Members' roles include:

- A First Circles member must be an Aboriginal person who comes from a Northern Territory remote community, homeland or town camp
- Proactive in community and/or region
- Ability to liaise with community members, seeking advice and support for local and regional opportunities/initiatives
- Participate in community forums, projects and policy development
- Work collaboratively with the Department of the Chief Minister, local authorities and other agencies
- Support department officer visits and assist with community discussions
- Attend workshops and the Cabinet meeting and actively participate in discussions

How are First Circles members supported?

The First Circles Leadership Program is managed through the Department of the Chief Minister's, Aboriginal Affairs Strategic Partnerships, with staff providing mentoring to First Circles members.

First Circles members are not paid as the program is voluntary. The Department will meet the costs for members to attend workshops and the Cabinet meeting.

Program Outline

In the lead-up to a Cabinet meeting participants engage in leadership training; attend workshops designed to support their capacity to actively engage and communicate with government about priorities such as, local decision making and other matters that are important to them; and to collaboratively engage with all levels of government.

The workshops will include traveling to Darwin and Alice Springs.

To find out more about the First Circles Program and to nominate; go to nt.gov.au/oa or phone Andrew Ross on 8951 5687, or email oa@nt.gov.au.

SUMMARY:

After a month long break, it is great to be back in my role full of energy and ready to get back to making a difference around the Barkly Communities:

- My first day back had me going to Wutunugurra and Alpururulam to attend LA meetings. Unfortunately Wutunugurra didn't get quorum but we did still have a staff meeting and caught up on a few things that need doing in the Community. Alpururulam had a successful LA and it is good to see that this LA continues to grow in strength and has formed into one of our best LA's in the Barkly. The next day we travelled out to Ampilatwatja and Arlparra. We had a successful meeting at Ampilatwatja and a good staff meeting at Arlparra. Other Council staff convened the Ali Curung and Elliot LA's that both achieved quorum.
- Over this last month we have contracted Dennis Kunoth to grade the homeland roads out at Utopia. Dennis does this twice a year for us and at this stage is almost finished all the roads on the Utopia Homelands.
- All the communities have been asked to put in their capital wish lists for next year's budgets, so here's hoping that we can spread some new vehicles around a few communities to make their work a bit easier in the next 12 months.
- Over the last month all the Area Managers were asked to locate the dark spots in their respective communities. This has now been done and I have all the information back. We will now calculate how many solar lights we will need, depending on the total cost we will either purchase the lights before the end of the financial year, or if over budget, budget for them next year.
- While I was away we had Bob Smith from Ampilatwatja come into Tennant Creek and cover my position. I would like to thank Bob for doing a good job and not leaving me too many problems to come back to.
- I have also visited each community with Michael Davis to put a plan in place to implement the findings of the landfill master plans. Elliott was the standout landfill with Michael stating it is amongst the best landfill in the region.
- I attended a Regional Deal Governance Table meeting during the month. I have also been appointed to the Barkly Youth Work Camp working group.

Interim Barkly Governance Table Meeting Thursday 9 May 2019 Communique

Summary

The second meeting of the interim Barkly Governance Table was held on 9 May 2019 at Northern Territory Government Centre. The purpose of the meeting was to start implementation planning for the Barkly Regional Deal that was released on 13 April 2019.

Members agreed the focus of the interim Barkly Governance Table was on action not talking; implementation of the Deal needed to progress swiftly; the wider Barkly community would be actively engaged in implementation through working groups and seeking ideas from sector groups represented at the interim Barkly Governance Table; bush communities outside Tennant Creek remain a key priority for the Deal; members would work together for the benefit of the community and treat each other with respect and trust; and the voices of Native Title holders and Aboriginal people remain central to the Barkly Governance Table.

The interim Barkly Governance Table received a presentation from the Australian Government Department of Social Services (DSS) about funding and capacity building available from *Stronger Places, Stronger People* initiative for the establishment of a backbone team to support the interim Barkly Governance Table.

Key decisions included reaching agreement on how the interim Barkly Governance Table would reach decisions; the formation of five working groups to progress initiatives in the Deal with membership drawn from key stakeholders and interested community members from across the Barkly region; agreement to work with and receive funding and capacity support from DSS to establish a backbone team; development of a forward timeline to progress delivery; and circulation of information about key decisions from meetings across the Barkly region as standard practice.

Report May 2019

This month has been quite in the Community as most of the Community members away in Tennant Creek.

Dianne and her team are doing well with the Sport and Rec, which has made a difference with the children. Hopefully soon Dianne will get new furniture for her office, and good to see Community members are applying for work with Dianne.

We have finalised with Centrelink the move of the equipment from the old office to the Community Centre, just waiting for dates as to when that will happen. Also have finalised the paperwork for the small cell tower to be placed at the back of the old office. CLC have done the site clearance just waiting on APAA to give their OK.

Everyone keeps asking about houses 4 & 5, these houses are for transition when they start the Room to Breathe programme. Housing will be coming out soon to give an update.

Ben Saint will be doing some road works at the Community Centre, on the church end, and turning our entrance to the Community Centre into a cull de sac. I feel if that is going to be our main entrance, let's have nominations to name the cull de sac, which will make it easier to identify which street the Community Centre is located.

We had voting for the Federal Election, had only a few people here for voting, and everything went well. Was good to talk with both Liberals and Labour about their policies.
