<b>ITEM NUMBER</b>	4.1
<b>TITLE</b>	June CEO Report
<b>REFERENCE</b>	374448
<b>AUTHOR</b>	Troy Koch, Area Manager - Alpururulam

### RECOMMENDATION

#### That Council

- a) Receive and note the *Operations Director's* report

### SUMMARY:

This report addresses activities within Operations Directorate for June 2022.

### BACKGROUND

#### June 2022 Operations Director Report

##### Summary:

Our Communities have had the exclusion zones lifted so we can now travel to our communities I have been very busy covering the Depot Manager position as well as fulfilling my own role, recruitment for this position continues until we find a suitable applicant.

##### Local Authority:

No Local Authority Meetings this month.

##### The Communities:

###### Elliott:

With the onset of colder weather down south, Elliott has experienced a high number of travellers both passing through town, and attempting to set up camp in any area they deem suitable, including the park, next to the clinic and at the airstrip. The service road outside of the Puma is regularly blocked and traffic management there is extremely difficult.

Elliott has hosted a high number of stakeholder visits throughout June including Catholic Care, Sun Cable and Balanced Choice who via their principal Adam Drake engaged the youth very successfully and it is hoped that funding for further visits may be found.

Elliott also held the Barkly Regional Co-ordination Meeting which saw numerous senior government officials, agencies and the BRC CEO Emma Bradbury come together not only for their regular meeting but take a look around our community.

The following week the BRC CEO again arrived to engage the community through the Barkly Regional Deal Governance Table meeting. This was well attended by community and hopefully some great initiative's for Elliott were presented.

###### Ali Curung:

This report period confirmed winter has arrived with a noticeable drop in temperatures, we also had a period of heavy rainfall which resulted in airstrip closing for 5 days.

Federal Election early voting for community was conducted on 10<sup>th</sup> May 2022. NT Covid-19 Health Emergency declaration ceased 15<sup>th</sup> June 2022 which meant community no longer is an exclusion zone. A special LA meeting was held to approve expenditure of LA Funds that needed to be committed before EOFY.

CLC held a few meetings in reference to water rights for Singleton project and Lease money projects. Shine Lawyers visited to engage community about their Law suit claiming for Lost/Stolen wages.

NT Health & Anyinginyi Health visits to community for Covid-19 vaccinations, good to see vaccinated numbers on the rise.

Staff attendance has been low due to Royalty meetings, funerals, sick and personal leave. New staff member recruited into Municipal team with x2 vacancies still remaining.

Community Care received the addition of a 12 seater van to their vehicle fleet which will be used for client excursions.

YSR supported NASCA (Orange Shirts) visit to community and are working closely with other stakeholders in preparation of NAIDOC week celebrations in July. LA member Cynthia Smith was congratulated by Local Authority board and Community members for recently graduating as a police Aboriginal Liaison Officer.

Ali Curung have a Men's and Women's team in the local AFL competition,

#### **Alpururulam:**

Still some staffing attendance issues in Municipal. Staff permitting, there have been twice weekly garbage collections most weeks along with airstrip maintenance and grass cutting around the community. Interviews conducted for Municipal team – two applicants have been offered part-time positions. In service centre office, one applicant has been offered a part time position as customer service officer.

Director of Operations, Night Patrol, NDIS and IT staff have visited from head office. Night Patrol has conducted interviews and is progressing toward team appointments. Community Care has conducted one interview for a vacant part time position. YSR has also conducted interviews for casual positions. Central Desert Training has had two more weeks in the community for face to face staff training.

Stolen Wages team from Shine Lawyers have had to postpone visit – new date for visit to Alpururulam yet to be advised.

Covid Vax team continues periodic visits. Police have visited as well as various allied health personnel and other general contractors.

Several new demountable community housing dwellings are being installed so the community is busy with tradesmen and contractors.

Emperor Air conditioning visited to install replacement a/c units in BRC buildings.

#### **Ampilatwatja:**

This month we have been advertising for two Municipal officers and two Customer service officers due to several resignations and a staff member relocating to another program with Barkly Regional Council. There has been a lot of interest in the positions from the community and I have identified some strong candidate's, hopefully will have them interviewed this week and ready for a start date later this month or early July.

The works crew has been good with a positive attitude to cleaning up town they are getting close to having the curb side council areas throughout town clear of hard/General rubbish around town with the news that the new community bins will arrive in 4 to 6 weeks will help with the ground litter around town.

Work has started on preparing the oval area for the football carnival later this year works include re-doing the perimeter area repairs to fencing and seating and straightening of the goal posts.

With the sport and rec position vacant we have had ongoing problem with youth causing damage though out the community at night and with school holidays approaching at the end of the week this is an area of great concern.

Donkeys and horses are causing a considerable amount of damage around town and are constant nuisance knocking over community bins.

All in all the feedback from the community and stakeholders has been positive and with additional staff from new positions we are heading in the right direction.

**Wutunugurra:**

With Donna Eddie on leave, Ray Hocking has assumed the role for a few weeks.

We have been busy cleaning up the depot, checking vehicles and maintaining council services.

The office has been functioning well, as has Sport and Rec.

The road into Wutunugurra has had a grader over it in some sections, which has made the drive in a bit easier.

I spoke with the Epenarra station in order to have the fuel pumps re opened for a short period so that locals could fill up and get into Tennant Creek to meet their scheduled appointments and shop. I have also managed to obtain seven nominations for the Local Authority and hopefully this can be re-established shortly.

The Housing for Health mob (through Territory Families) have been out here doing plumbing and electrical repairs to community houses.

The crew have been kept very busy, and community are pleased with their efforts, and hope the carpentry crew will arrive soon.

**TC Depot:**

The Depot Team have been great over the last month keeping on top of the Municipal works in Tennant Creek and moral continues to be very good.

The works on the Prime Mover are progressing very well with the engine recently put back in the truck and the plumbing and electrical works have commenced. I expect that the truck will be on the road by the time of the next Council Meeting.

Recruitment continues for a new Depot Manager.

**ORGANISATIONAL RISK ASSESSMENT**

The Operations Directorate has had trouble filling key positions in Tennant Creek and in the communities, which may have an impact on council's service delivery in those areas.

**BUDGET IMPLICATION**

None for this report.

**ISSUE/OPTIONS/CONSEQUENCES**

As addressed in risk assessment.

**CONSULTATION & TIMING**
