Council to deliver extra work crews to Wutungurra

Barkly Regional Council will deliver extra crews to Wutungurra next week to expedite works that were delayed due to road inaccessibility.

The road to the remote community has now re-opened after being closed for approximately a month following recent heavy rains in the region.

Director of Operations Troy Koch said as more roads re-open, Council's commitment is to push more resources to those affected communities to catch up on any backlog of works to ensure services return to operating effectively.
