CHIEF EXECUTIVE OFFICER REPORTS

ITEM NUMBER 4.1
TITLE Monthly CEO Report
REFERENCE 304932
AUTHOR Mark Parsons, Operations Director

RECOMMENDATION**That Council**

- a) Receive and note the report.

SUMMARY:

I returned to work late August recharged and reinvigorated after a great holiday. I would like to thank Robert Smith for acting as the Operations Director while I was on leave; it was nice to come back to a clean slate. After two days back in my role I was back acting as CEO for nine days while Mr, Moore had a well-earned break.

It has been quiet around the communities, staff shortage caused by additional welfare payments have continued resulting in a 'business as usual' approach to core service delivery.

During September, I have attended the Ali Curung LA with a good attendance and it was good to welcome a new member from Murray Downs Mr, Martin Spratt I also attended the Alpurrurulam LA via phone, they also have three new members David Riley, Charlie Larkin and Ben Olschewsky. The LA had full quorum on their first meeting back so well done. Elliott LA reached quorum and had a good attendance by the members up there.

While on Elliott, I would like to congratulate the Elliott Hawkes on back to back wins on their new oval. I would also like to thank the Elliott staff that were involved in getting the oval ready for its first game and the staff that helped out on the day.

Over the past few months, we have had a number of staff in acting positions to cover for staff that are either sick or acting in other positions. I would like to thank all these staff for the extra effort they have put in.

It is always nice to get good feedback from other agencies about Council staff that do that little bit extra without thinking about it.

I received an email last week from Aboriginal Areas Protection Authority I have attached it below.

Good Afternoon,

I would like to send a big thank you to Donna at the Wutungurra Community accommodation. We had an Anthologist staying there on Tuesday and Wednesday night and said that Donna was very helpful. He arrived late and Donna rang to make sure he was still coming and that he was ok. Great work thank you so much for going the extra mile it is very much appreciated.

So a big thankyou to Donna for going the extra mile!!

Overall another great month in our beautiful region.

- 15-24 Year old participants are dropping in numbers and this is a concern for Sports and Rec Staff. Whilst every effort has been made to provide a suitable program. The participant levels remain low in number. 15-24's who do attend are preferring to attend with the OSHC program.

SUMMARY:

This Report is a summary of Council meetings for September 2020.

BACKGROUND

The September Council meeting was the first one with Mayor Jeff McLaughlin as the new Mayor.

There was a presentation from **Centercorp on Desert Funerals**. The explained that Desert Funerals is a Non-for profit business, which came from the need for an alternative funeral provider, as there was monopoly in the space. Their Alice Springs is almost ready. They are in early days of discussion for a similar business model in the Barkly. Once the Alice Springs one is up and running and they have a business model- then they will look at rolling out in other areas in Central Australia.

In the Mayor's report- Mayor McLaughlin met with Circle Advisory, regarding fracking/Beetaloo Studies, and they will present at the October council meeting. He also gave feedback that Environment and Sustainability committee meeting as well where there was a good representation; discussions included tree planting and the Barkly climate action Plan.

The Tennant Creek Lifesaving group was awarded \$2200 from the Council's Community Benefit Fund.

Council delegated authority to Patta Councils to make council decisions regarding Purkiss Reserve. This is will mean faster decision making around Purkiss Reserve.
