Garbage Bin Collection Terms & Conditions

- The Council's regular garbage service shall consist of the removal and disposal of the contents of a 240 litre mobile wheeled bin, once per week, on a day as advised on the Council's website, <https://www.barkly.nt.gov.au>
- Your 240 litre bin will be supplied by the Contractor and will remain the property of the Contractor.
- Place your bin as close to the edge of the road as possible, where it will be emptied by the Council.
- Make sure the bin faces the road, ie with the handles at the rear and the lid opening.
- Make sure your bin is clear of trees and obstructions, such as fire hydrants and power poles, etc.
- Do not place your bin near parked cars.
- After the bin has been emptied, it is your responsibility to return your bin to your own property.
- The reference number of the bin issued to your property will be recorded in your name and the bin will be your responsibility.
- It is your responsibility to maintain the bin in an hygienic condition.
- Pursuant to Section 77 of the Local Government Act, the property owner is liable for payment of an additional rates charge for additional bins .
- Should you wish to discuss any part of the garbage collection service, telephone the Council Rates Officer.
- Only the property owner, an authorised representative or the managing agent can request to add or remove waste collection services.
