### The Way We Will Work

We will make it happen!

We will be engaged and have regular opportunities to listen.

We will have strong policies and budgets to ensure our programs and services are progressive and sustainable.

Respect is shown in everything we do, and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people, and our organisational culture.
