**RECOMMENDATION****That the Authority**

**SUMMARY:**

We have had another busy month, both Cr Vashist and Mayor Edgington have now resigned to contest the NT Election. A big thank you to Acting Mayor Ruger for stepping up until the election result is known.

The Regional Plan has now been approved by Council, with this task now complete, we have moved onto preparing the 19-20 Annual Report.

As you know, the Tennant Creek IGA was destroyed in an arson attack in July, this has significant repercussions for the Region with the main source of food supply destroyed. While the building is yet to be assessed, the IGA building is likely to be out of service for a significant period of time. We have extended an offer to Julilikari to use Civic Hall until the damaged building can be rebuilt.

The Basketball courts have also been damaged by fire in a separate incident, this is currently being investigated by the police and we are gathering quotes to prepare the damage.

The Lake Mary Ann playground project is proceeding well, and the plans are in this agenda for your consideration and have been approved by council to go out to public consultation. A special thanks you to Justin Hankinson who surveyed the park with the assistance of Emerson Resources equipment.

Work has continued on gaining access to land both at the Tennant Creek landfill site and additional land for the new bike path along the main drain. Both projects have progressed during the month, we hope to finalise these in the not too distant future

## Concept Design

The proposed playground is located closer to the main activity area and in clear view of the entry road and the caretakers residence for ease of way finding and passive surveillance. This location does not block view to Lake Mary Ann on arrival or from the main car parks. The playground is located to one end of the open grass area to accommodate sufficient space for both formal play and informal play activities.

<b>TITLE</b>	Place Names Information
<b>REFERENCE</b>	301682
<b>AUTHOR</b>	Millicent Nhepera, Governance Officer

**RECOMMENDATION**

**That the Authority**

- a) Receive and note the report**

**SUMMARY:**

This report details information received from the Place Names Committee regarding the naming of places in the Northern Territory, and how to go about adding names to the list.

**BACKGROUND**

The naming of a place is a legislative and statutory process and the Place Names Committee has established guidelines to assist this naming process. A name is not deemed official under the Place Names Act 1967 until it is approved by the Minister for Infrastructure, Planning and Logistics, on recommendation by the Place Names Committee, and entered in the Place Names Register at: <http://www.ntlis.nt.gov.au/placenames/>

Anyone can select and propose name/s that comply with place naming policies and guidelines at <https://placenames.nt.gov.au/guidelines>.  
Find out more about place name by reading <https://placenames.nt.gov.au/how-places-are-named>

It is advisable that you contact the Place Names Unit on [place.names@nt.gov.au](mailto:place.names@nt.gov.au) or telephone 8995 5333 to discuss the names prior to presenting them to local Council to ensure the names comply with current naming standards (including confirmation that no duplication of name exists).

The following should be included with your submission to the Place Names Committee:

- Approved/ signed plans of the subdivision, clearly showing the location of the subdivision and the final road layout;
- A marked up plan identifying new place requiring naming. The plan should be clearly marked to show the allocated proposed place to be named;
- The origin/ history of the place name proposed (i.e. who or what the place is to be named after and the name's connection/ relevance to the Northern Territory), confirmation of spelling/ reference resources and pronunciation (if the name is not in English or may pose difficulties/ queries in relation to pronunciation by members of the public);
- If the place is to commemorate a person, the views/ support and contact details of surviving next of kin. It should be noted that only persons deceased more than 12 months will be considered for commemoration;
- The views/ support of local council and the land owner (if applicable).

You can also request to include a deceased person's name in the Reserve List for commemoration through a future naming opportunity. Find out how to nominate a person for commemoration at <https://placenames.nt.gov.au/how-places-are-named/nominate-a-person-for-commemoration>

Application can be submitted online at Place Names Online:  
<https://www.ntlis.nt.gov.au/placenames-online/> .Not including the required documentation with a submission can lengthen the place naming process.

In addition, the Committee is committed to acknowledging Aboriginal languages and history through Northern Territory place names. The Committee may consider that this is an opportunity to consider using an Indigenous word or place name or commemorate a significant Aboriginal person from the region.

Should you have any questions, please contact the Place Names Unit on telephone (08) 8995 5334 for assistance.

## Submission to the NT Place Names Committee

- A place name submission including supporting consultation documentation is made online.
- The Place Names Committee considers the submission at its next meeting.

## Place Name Approval

- The Minister is responsible for approving official registered place names.
- If approved, the place name is included in the NT Place Names Register.

<b>TITLE</b>	Council Report- July 2020
<b>REFERENCE</b>	301638
<b>AUTHOR</b>	Millicent Nhepera, Governance Officer

**RECOMMENDATION****That the Authority**

- a) Receive and note the report

**SUMMARY:**

This Report is a summary of Council meetings for July 2020

**BACKGROUND**

The July 2020 meeting was chaired by Acting Mayor Hal Ruger, after the resignation of Mayor Steve Edgington as well as Cr. Sid Vashist to run in the NT Legislative Assembly elections.

Notably, Council approved the Memorandum of Understanding between the Night Patrol and NT Police, and this has since been signed by both parties and is now in effect.

The Consultative process for the Lake Mary-Anne playground has now commenced. The designs are attached to this agenda, and the Council would like to get feedback on the designs from this Authority.

Council also committed \$20000 to the MyBarkly campaign. This is a programme that will run through an app provided by the Northern Territory Government. It enables community members to benefit from discounts when they make a purchase at participating retailers within the Barkly.

Cr. McLaughlin presented as the Chair of the Council's Family Violence Working group. The working group aims to function as an internal support group for domestic violence matters for the Council. The Working Group is calling upon staff members to join.

Cr. McLaughlin also presented on "Live and Local." This is an initiative that seeks to support the growth of venue based live music in Australia. Funds will be given through Council, to allow more local music performances to take place within the Barkly, where funds were previously a barrier.

**Appointments:**

The following members have been accepted into the Tennant Creek Local Authority:

- Karan Hayward
- Greg Liebelt
- Ray Wallis
- Kara Blankenspoor
- Ronalda Walker
