Respect is shown in everything we do and we have acceptance of all cultures in the Barkly Region and their practices through a culturally competent Council.

We are a responsible Council.

We will be a responsive Council.

We want to empower local decision making.

We want to ensure that our services are sustainable and that our region has a standard consistent level of services.

We want to be able to sustain our environment – our communities, our physical places, our people and our organisational culture.

We will aggressively pursue additional funding from both levels of government to improve the standard of living of people across the region.

To Coral

Please be advised the Place Names Committee has agreed to accept your request for commemoration and has endorsed Mary Alice Ward MBE to the Reserve List, for future use in Northern Territory place naming.

As a number of factors and considerations are involved in the selection of a place name, there is unfortunately no timeframe for when a name will be used from the Reserve List. Each place naming proposal involves a number of considerations, such as current legislation, guidelines and national standards, views of interested parties such as land owners, developers and councils, and existing naming themes. The Committee may suggest names to interested parties that they deem appropriate for a specific subdivision; however, the interested party is not obliged to agree to the name.

The Nephew of Mrs Ward will be notified by Place Names of the endorsement by the Place Names Committee.

You will be contacted in due course should Mary Alice Ward MBE be selected from the Reserve List for use in Northern Territory place names.

Should you have any questions, please contact the Place Names Unit on email place.names@nt.gov.au or telephone (08) 8995 5334.

Thank you.
