

JOINT STATEMENT FROM THE COUNCILLORS - BARKLY REGIONAL COUNCIL

The role of our Council is to serve our diverse community and their growing needs across the Barkly - it takes big ideas, clear leadership and best practice to meet these needs. We make informed and responsible decisions for the best interests of our community.

As Councillors, our commitment is to the wellbeing, growth and development of our communities and residents. This leadership sometimes means making difficult decisions.

We have increased the rigour of our human resources process and procedures in the past months, and we are committed to being an employer of choice.

We recognise the issues raised through the media are serious. Our CEO Emma Bradbury has requested Council work with the Department of Chief Minister and Cabinet Local Government Unit to undertake an independent review of the concerns raised.

The Council has full confidence in the leadership of our CEO Emma Bradbury.
